EXECUTIVE OFFICER

The Honorable Board of Supervisors
County of Los Angeles

Dear Supervisors:

APPROVAL TO AMEND CONSULTANT SERVICES AGREEMENT WITH CALIFORNIA INSTITUTE FOR MENTAL HEALTH FOR FISCAL YEAR 2008-09 (SUPERVISORIAL DISTRICTS 1, 2, 4, AND 5) (3 VOTES)

SUBJECT

Request approval to amend the California Institute for Mental Health's Consultant Services Agreement to add Fiscal Year 2008-09 funding for the continued services of consultation, technical assistance, and training for Enhanced Specialized Foster Care Intensive In-Home Mental Health Services.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Director of Mental Health, or his designee, to prepare, sign, and execute Amendment No. 10, substantially similar to the Attachment, to the existing Department of Mental Health (DMH) Consultant Services Agreement No. MH050013 (Agreement) with the California Institute for Mental Health (CIMH) to add Fiscal Year (FY) 2008-09 funding of $494,800 for the provision of continued services of consultation, technical assistance, and training for Enhanced Specialized Foster Care Intensive In-Home Mental Health Services. The Amendment will be fully funded by the Mental Health Services Act (MHSA) and an Intrafund Transfer from the Department of Children and Family Services (DCFS), $247,400 for each. Effective upon Board approval, the FY 2008-09 Total Compensation Amount (TCA) will be $864,800.

2. Delegate authority to the Director of Mental Health, or his designee, to prepare, sign, and execute future amendments to this Agreement, and establish as a new TCA the aggregate of the original contract and all amendments through and including this Amendment, provided that: 1) the County's total payments to the Contractor under this Agreement for FY 2008-09 do not exceed an increase of 20 percent from the applicable Board approved TCA; 2) any such increase will be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Executive Officer (CEO), or their designee, is obtained prior to any such Amendment; 5) the parties may, by written Amendment, mutually agree to reduce programs or services without reference to the 20 percent limitation; and 6) the Director of Mental Health provides written notification to your Board within 30 days after the execution of any amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The Amendment is to provide FY 2008-09 funding for the continued services of consultation, technical assistance and training from CIMH for Enhanced Specialized Foster Care Intensive In-Home Mental Health Services. CIMH will continue its services provision in Community Development Teams (CDT), which train DMH contract agencies in a variety of evidence-based mental health practices to be used for Intensive In-Home Mental Health Services and support the ongoing implementation of these sophisticated treatment interventions. These services are part of the joint efforts of a DCFS and DMH care plan (Countywide Enhanced Specialized Foster Care Mental Health Services in Service Areas 1, 6, and 7) and were approved by your Board on October 11, 2005. These services will be directed at children and youth, under the supervision of DCFS, who are residing in congregate care of D-rate placements or who are at risk of such placements. Board approval is required for this amendment as it increases the total contract amount by more than 20 percent, which exceeds Board-delegated authority.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with County Strategic Plan Goal 5, "Children and Families' Well-Being"; Goal 6, "Community Services"; and Goal 7, "Health and Mental Health." Board approval of recommended actions will allow CIMH to train and support DMH contract agencies in a variety of evidence-based practices.

FISCAL IMPACT/FINANCING

The Amendment amount of $494,800 for FY 2008-09 is fully funded by MHSA and an Intrafund Transfer from DCFS. The $494,800 to fund this amendment is included in DMH's FY 2008-09 Adopted Budget. There is no increase in net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Beginning in FY 2006-07, CIMH partnered with DMH to administer Multidimensional Treatment Foster Care (MTFC), Multisystemic Therapy (MST), and Children's Comprehensive Services Program (CCSP), using the CDT in all. CDT represents a multifaceted approach designed to promote sustainable, model-adherent adoption of evidence-based practices. This approach has been tailored to support implementation of MTFC, MST, and CCSP across numerous private and/or county operated outpatient providers operating in Service Areas 1, 6, and 7. CIMH will continue to administer these services in FY 2008-09.

CIMH is uniquely qualified to assist DMH to implement and sustain the proposed evidence-based practices. The institute was established by the California Mental Health Directors Association (CMHDA) in 1993 to promote excellence in California's public mental health service system. County mental health directors, consumers, family members, and public interest representatives serve on its Board of Directors.

The Amendment has been approved as to form by County Counsel. The CEO has reviewed the proposed actions. Administrative staff of DMH will continue to administer and supervise the Agreement and ensure that Agreement provisions and Departmental policies are being followed.

IMPACT ON CURRENT SERVICES

Board approval of the proposed actions will result in continuation by CIMH of training and implementation support of the evidence-based mental health practices to be used for Intensive In-Home Mental Health Services for children and youth.

CONCLUSION

The Department will need one copy of the adopted Board actions. The Department requests that the Executive Officer of the Board of Supervisors notify DMH's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,
