Dear Supervisors:

**APPROVAL OF REQUEST TO SUPERSEDE ONE HUNDRED TWENTY-THREE CURRENT MENTAL HEALTH SERVICES AGREEMENTS WITH PROVIDERS FOR FISCAL YEARS 2002-2003, 2003-2004 AND 2004-2005**
**AND**
**APPROVAL OF THE REVISED LEGAL ENTITY AGREEMENT AND REVENUE INTEGRATED SERVICE AGENCY (ISA) AGREEMENT FORMATS**
**AND**
**APPROVAL OF REQUEST FOR APPROPRIATION ADJUSTMENT FOR FISCAL YEAR 2002-2003**
**(ALL SUPERVISORIAL DISTRICTS)**
**(4 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. In order to implement a policy to have all DMH Legal Entity Agreements uniform in their terms and conditions, approve the supersession of all DMH Agreements with 123 Legal Entity providers, effective upon Board approval, including The Regents of the University of California (Ties for Adoption Program), as listed in Attachment I for Fiscal Years (FY) 2002-2003, 2003-2004 and 2004-2005. The total Maximum Contract Amount (MCA) for each FY reflects $463,559,479, $252,881,139 and $76,914,488 respectively. The MCA for FYs 2003-2004 and 2004-2005 will change because of anticipated contract renewals and are dependent on other funding that is given to the County by the State and/or Federal government on an annual basis.

2. Approve the revised Legal Entity Agreement (Attachment II), the Revenue Integrated Services Agency (ISA) Agreement (Attachment III) formats and make a corresponding amendment to The Regents of the University of California (Ties For Adoption Program) agreement.

3. Approve the attached Request for Appropriation Adjustment (Attachment IV) in the amount of $105,076,000 for FY 2002-2003. The increase in appropriation will permit the Department of Mental Health (DMH) to fund Legal Entity providers for mental health services.

4. Effective upon Board approval, delegate authority to the Director of Mental Health to prepare, sign and execute these legal entity agreements (substantially similar to Attachment II) between the County and these contractors after DMH has prepared these agreements in accordance with Attachments I and III and has obtained contractor signatures for each agreement.

5. Delegate authority to the Director of Mental Health to prepare, sign and execute future amendments to these DMH Legal Entity Agreements and to the Affiliation Agreement with The Regents of the University of California (Ties for Adoption Program), provided that: 1) the County's total payments to contractor under each Agreement for each fiscal year shall not exceed a change of twenty percent from the applicable revised Maximum Contract Amount; 2) any such increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer or his designee is obtained prior to any such Amendment; and 5) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

**PURPOSE OF RECOMMENDED ACTION:**

There has been an ongoing review of all DMH agreements with Legal Entity providers, and the Chief Administrative Office (CAO) and Auditor-Controller (AC) have recommended that there be uniformity of terms and conditions. DMH and County Counsel concur with this recommendation that the supersession bring in line all existing DMH agreements. In addition, the Maximum Contract Amounts (MCA) will reflect the full year's appropriation with no retroactive issuances of monthly contract advances prior to Board adoption.

**Implementation of Strategic Plan Goals:**

The recommended Board actions are consistent with the County's Goal 3, Organizational Effectiveness, Strategies 1 and 3, and Goal 4, Fiscal Responsibility, Strategies 1 and 3, within the County Strategic Plan. Approved services are provided through the collaborative efforts of government agencies and community-based organizations.

**JUSTIFICATION:**

DMH is implementing a strong recommendation by the Chief Administrative Office and Auditor-Controller to make DMH Legal Entity Agreements uniform. Approval of the supersession of the agreements with Legal Entity providers will insure uniformity of terms and conditions. This action will eliminate confusion in regards to the revised Cash Flow Advance language and, in addition, will insure that agreements are in compliance with the Board's mandated clauses. At present there are several forms of the Legal Entity Agreement in effect, especially regarding Cash Flow Loans.

**FISCAL IMPACT:**

There is no net county cost. The appropriation is entirely for costs of the Federal and State reimbursed Medi-Cal (Medicaid) program services delivered by County contract service providers. The funding will be Federal Financial Participation Funds (FFP), State General Funds (SGF-EPSDT), and Sales Tax Realignment funds.

The Maximum Contract Amounts (MCA) will total $463,559,479 for FY 2002-2003, $252,881,139 for FY 2003-2004 and $76,914,488 for FY 2004-2005. The MCA total for FYs 2003-2004 and 2004-2005 will change because of anticipated contract renewals and are dependent on other funding that is given to the County by the State and/or Federal government on an annual basis.

**FINANCING:**

The recommended action will increase the MCA by $105.1 million consisting of $61.0 million in FFP, $42.2 million in EPSDT-SGF, and $1.9 million in Sales Tax Realignment funds. The $105.1 million represents disbursement that will be federally required to be disbursed to the various contracted service providers rendering Medi-Cal eligible services to Medi-Cal beneficiaries.

The County, in complying with various Federal and State statutes, must either disburse the Federal and State funds to the contract service providers or return the funds to the State. The County cannot legally use the funds for any purpose other than reimbursing the rendering Medi-Cal service providers.

The $105.1 million appropriation is for contractors and will be paid only to the extent that contract services are provided. This amount consists of:

- $16.8 million in FFP for FY 2002-2003 growth in Medi-Cal program services to non-EPSDT Medi-Cal beneficiaries.

- $25.3 million ($13.7 million FFP and $11.6 million EPSDT-SGF) necessary to increase the MCAs up to the FY 2001-2002 actual service delivery level. This amount had not been included in the Department's FY 2002-2003 proposed budget because of various unresolved issues among the Auditor-Controller, Chief Administrative Office and the Department.

- $23.9 million ($12.0 million FFP and $11.9 million EPSDT-SGF) in estimated services to Medi-Cal beneficiaries with EPSDT status that were associated with FY 2001-2002 mid-year program expansion that the State maybe recognizing in their methodology for establishing their FY 2001-2002 baseline for EPSDT growth in FY 2002-2003.

- $39.1 million, comprised of $18.5 million in FFP, $18.7 million in EPSDT-SGF, and $1.9 million Sales Tax Realignment funds, is estimated growth in excess of the anticipated State designated FY 2002-2003 baseline for EPSDT growth (EPSDT Growth is defined as the amount of EPSDT services rendered above the newly established EPSDT Growth Baseline. This is currently defined as four times the total EPSDT rendered in the 4th Quarter of FY 2001/2002, or $280.3 million. This definition is subject to change. An increase in the Growth Baseline would decrease the cost to the County, and a decrease to the Baseline would result in a higher County cost.). FY 2002-2003 State Budget implementation action taken by the Governor specifies that the local county must contribute 10% of the non-Federal EPSDT costs in excess of a FY 2002-2003 EPSDT Growth Baseline. This would require $1.9 million local match participation to be funded with the Sales Tax Realignment funds. As noted above, changes to the State's EPSDT Growth Baseline calculation methodology will increase or decrease the $1.9 million.

The State's disbursement of the FFP funds does not present any financing issue for the County beyond the Auditor-Controller's twelve (12) month revenue recognition period. However, the State's current disbursement procedures for EPSDT-SGF funds does present a potential financing need for the County. While the Department has made progress with the State in improving the State's EPSDT-SGF cash flow, there does remain some uncertainty in the timing of State's disbursements.

The Department appreciates that since this Letter requests that your Board approve an appropriation adjustment for $42.2 million in EPSDT-SGF, an analysis and disclosure of the potential impact to the County is appropriate. Attachment V summarizes this information. There are three different fiscal years for which the State's payment process for EPSDT-SGF represents a potential cost to the County.

- FY 2000-2001. The State owes the County $43.5 million for EPSDT services delivered in FY 2000-2001. Of this, $28.1 million was accrued for collection in FY 2002-2003. This amount, as well as the balance of $15.4 million ($43.5 million minus $28.1 million) would be paid on or about April 2003 and would result in an over realization of revenue. The over realized $15.4 million would then be used to finance part of the FY 2002-2003 State deferred EPSDT-SGF revenues.

  Worst Case Scenario: If the State fails to pay, the County would need to finance the $28.1 million.

- FY 2001-2002. The State owes the County $54.4 million for EPSDT services delivered in FY 2001-2002. This amount was not recognized as revenue during 2001-2002 because the timeliness of collection was uncertain. The Department now believes that the State will pay $28.8 million. The State has notified the Department that it is processing a payment in October 2002 for $21.8 million of the $28.8 million. DMH plans to use these funds to finance $17.4 million of the FY 2002-2003 State deferred EPSDT-SGF revenues. This amount, plus the $15.4 expected to be over realized from FY 2000-2001 will fully finance the projected $32.8 million of FY 2002-2003 State deferred EPSDT-SGF revenues.

  Worst Case Scenario: If the State fails to pay, the Department would be unable to use these funds to finance the FY 2002-2003 State deferred EPSDT-SGF revenues, and the County would need to finance $28.8 million.

- FY 2002-2003. The Department estimates it will deliver $139.1 million in EPSDT-SGF funded services in FY 2002-2003. Of this, the Department anticipates receiving 75%, or$104.4 million as FY 2002-2003 State advances. The balance of $32.8 million (this is net of the $1.9 projected cost of the State's new 10% share of cost for EPSDT growth) will be deferred. This amount would be financed in FY 2002-2003 by the $15.4 million and $17.4 million identified in the prior years' analysis, resulting in no net County cost for FY 2002-2003 for the EPSDT program.

  Worst Case Scenario: If the State fails to pay any or all of the $104.4 million, the Department would not be able to finance the shortfall. To the extent that the $104.4 million is not received, the County would need to finance the unpaid portion of the $104.4 million.

Accordingly, for County financing purposes of recognizing revenue within the Auditor-Controller's twelve (12) month revenue recognition period, the Department is planning on receiving 75% or $104.4 million from the State of the $139.1 million local government EPSDT share of the estimated $319.5 million in FY 2002-2003 Medi-Cal services to Medi-Cal beneficiaries with designated EPSDT status. This may leave $32.8 million in deferred revenues that will not be received until approximately twenty-two (22) months after the close of the fiscal year.

The Department is continuing to work with the State to increase the advance percentage and/or use the current State methodology for paying FFP for EPSDT-SGF payment. The State is seriously considering using the FFP payment methodology for EPSDT-SGF disbursements, which would dramatically improve EPSDT-SGF cash flow.

This may leave a temporary financing need. Should the Department fail to obtain an increased level of State advances or a change in the State payment methodology for FY 2002-2003 EPSDT Medi-Cal services by fiscal year end, your Board's participation by funding the State advance deficiency, if any, will be requested.

A Governor's State Executive Order requires a 10% County match for the federally mandated local match portion of services to Medi-Cal beneficiaries with EPSDT status. Ten (10%) percent of the growth amount of the projected $39.1 million in EPSDT services in excess of the anticipated State baseline of FY 2001-2002 4th quarter EPSDT approvals multiplied by four (4) is $3.9 million. The local match portion is 49.65% or $1.9 million. The Department will fund $1.9 million with available

unexpended Sales Tax Realignment funds presently in the County's Sales Tax Realignment Trust.

Following is the methodology for determination of FY 2002-2003 contractor MCA increase. The FFP and EPSDT amounts were determined by:

1. The higher of May 2002 State Medi-Cal approvals multiplied by 12, or May 2002 year-to-date (YTD) State Medi-Cal amounts plus May 2002 State Medi-Cal amounts divided by 97% (.97); unless the contractor requested the existing contract amount, or the lower of the May 2002 multiplied by 12 or May 2002 YTD plus May 2002.

2. There are fourteen (14) exceptions, which are identified by an asterisk (*) shown in the first column "note". The MCA for these Contractors was based on the net projected program budget amount.

3. The Regents of the University of California item #114 in Attachment I is a unique Affiliation Agreement, which has a mental health services component (Ties for Adoption Program). Our DMH Finance Specialist has approved $1,191,266 FFP and $1,135,014 EPSDT-SGF that will be added to that component (Ties for Adoption Program) through an amendment which adds the revised Cash Flow Advance language and amount.

**FACTS AND PROVISIONS/LEGAL REQUIREMENTS:**

The MCAs identified in Attachment I reflect your Board's June 26, 2002 adoption of the DMH's FY 2002-2003 Budget, with the exception of the Regents of University of California and nine other providers whose financial exhibits and MCA have been adjusted pursuant to an agreement between DMH and providers. In addition, the MCA reflects three (3) months allocation of Children's System of Care (CSOC) funds, one time only rollover Substance Abuse and Mental Health Services Administration (SAMHSA) funds, CALWORKs funds augmentation (approved by your Board on August 20, 2002) and the proposed increase of additional FFP and EPSDT-SGF.

The Auditor-Controller and DMH's Fiscal and Program staff have reviewed the proposed actions. All of the Agreements have been approved as to form by County Counsel.

- Attachment I (Mental Health Services Agreements – Legal Entity) specifies the Contractors, Legal Entity number, Supervisorial District, reimbursement methodology, services provided, Agreement terms and Maximum Contract Amounts per year for each Agreement.

- Attachment II is the DMH Legal Entity Agreement format.

- Attachment III is the Revenue Integrated Services Agency (ISA) Agreement format.

- Attachment IV is the Request for Appropriation Adjustment.

- Attachment V is the Analysis of Funding For Supersession Board Letter.

**CONTRACTING PROCESS:**

All of the Agreements identified in Attachment I have existing contracts with the County, which expire on June 30, 2003, June 30, 2004 or June 30, 2005. Approval of this Board Letter will make all DMH Legal Entity Agreements uniform and will add Board mandated language. As mandated by your Board, the performances of all the contracting agencies are evaluated by DMH on an annual basis to ensure the Contractor's compliance with all contract terms and conditions.

**IMPACT ON CURRENT SERVICES:**

Current services are not affected; this action simply makes all legal entity agreements uniform.

**CONCLUSION:**

The Department of Mental Health will need one (1) copy of the adopted Board action. It is requested that the Executive Officer, Board of Supervisors, notify the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684, when these documents are available.

Respectfully submitted,

MARVIN J. SOUTHARD, D.S.W.

Baseline increases imposed by the State will be imposed on the Contractor in like percentages.

EPSDT funds are part of the Maximum Contract Amount(s) of this Agreement and shall be paid by County to Contractor solely in County's capacity as the EPSDT claim intermediary between the Contractor and the State.

Notwithstanding any other provision of this Agreement, in the event that Contractor provides EPSDT services reimbursable under the State's EPSDT mandate claim process, in excess of the Contractor's Fiscal Year _____ base of $_____, Contractor shall be paid by County from EPSDT funds upon receipt from the State. In the event that EPSDT funds are not available to pay EPSDT claims or that State denies any or all of the EPSDT claims submitted by County on behalf of Contractor, Contractor shall indemnify and hold harmless County for any and all liability for payment of any or all of the denied EPSDT claims or for the unavailability of EPSDT funds to pay for EPSDT claims. Contractor shall be solely liable and responsible for all data and information submitted by Contractor to County in support of all claims for EPSDT funds submitted by County as the fiscal intermediary.

(4) IMD: County agrees to reimburse Contractor during the term of this Agreement for providing IMD mental health services/activities in accordance with State laws and regulations.

B. Reimbursement For Initial Period: The Maximum Contract Amount for the Initial Period of this Agreement as described in Paragraph 1 (TERM) shall not exceed _____

_____

DOLLARS ($_____) and shall consist of County, State, and/or Federal (excluding Medicare Partial Hospitalization services) funds as shown in the applicable Financial Exhibit column(s) which are identified on the Financial Summary. This Maximum Contract Amount includes Cash Flow Advance which is repayable through cash and/or appropriate SFC units and/or actual and allowable costs as authorized by other provisions of this Agreement. Notwithstanding any other provision of this Agreement, in no event shall County pay Contractor more than this Maximum Contract Amount for Contractor's performance hereunder during the Initial Period.

C. Reimbursement If Agreement Is Automatically Renewed:

(1) Reimbursement For First Automatic Renewal Period: The Maximum Contract Amount for the First Automatic Renewal Period of this Agreement as described in Paragraph 1 (TERM) shall not exceed _____

DOLLARS ($_____) and shall consist of County, State, and/or Federal (excluding Medicare Partial Hospitalization services) funds as shown in the applicable Financial Exhibit column(s) which are identified on the Financial Summary. This Maximum Contract Amount includes the Cash Flow Advance which is repayable through cash and/or appropriate SFC units and/or actual and allowable costs as authorized by other provisions of this Agreement. Notwithstanding any other provision of this Agreement, in no event shall County pay Contractor more than this Maximum Contract Amount for Contractor's performance hereunder during the First Automatic Renewal Period.

(2) Reimbursement For Second Automatic Renewal Period: The Maximum Contract Amount for the Second Automatic Renewal Period of this Agreement as described in Paragraph 1 (TERM) shall not exceed _____

_____DOLLARS ($_____) and shall consist of County, State, and/or Federal (excluding Medicare Partial Hospitalization services) funds as shown in the applicable Financial Exhibit column(s) which are identified on the Financial Summary. This Maximum Contract Amount includes the Cash Flow Advance which is repayable through cash and/or appropriate SFC units and/or actual and allowable costs as authorized by other

provisions of this Agreement. Notwithstanding any other provision of this Agreement, in no event shall County pay Contractor more than this Maximum Contract Amount for Contractor's performance hereunder during the Second Automatic Renewal Period.

D. SDMH Approval of Negotiated Rate(s):

(1) Pursuant to WIC Section 5716, SDMH's approval of each NR, which is funded in whole or in part by Federal and/or State funds, shall be obtained prior to the commencement date of this Agreement and prior to the beginning of any subsequent Fiscal Year or portion thereof that this Agreement is in effect. Each such NR shall be effective only upon SDMH approval. If SDMH approval is received after the commencement date of this Agreement or after the beginning of any subsequent Fiscal Year, SDMH approval may be retroactive. If any such NR is disapproved by SDMH for any Fiscal Year or portion thereof, Contractor shall be compensated for all mental health services under this Agreement in accordance with the provisions of WIC Section 5716.

(2) Contractor understands that any NR funded in whole or in part by Title XIX Short-Doyle/Medi-Cal and/or State funds may include County's share of reimbursement for administrative support costs, including, but not limited to, quality assurance, utilization review, technical assistance, training, cost accounting, contract administration, other direct administrative activities which result because of contracting activities, medications, monitoring, revenue generation, and client data collection. County shall pay Contractor for Contractor's share of reimbursement for any such NR and shall retain County's share of reimbursement to pay for County's associated administrative support costs, if any.

E. Established Maximum Allowable Rates:

(1) Notwithstanding any other provision of this Agreement, County shall not be required to pay Contractor more than the Established Maximum Allowable Rates for applicable Title XIX Short-Doyle/Medi-Cal SFC units. The Established Maximum Allowable Rates shall be those specified in CCR Title 22, as authorized by WIC Section 5720.

(2) Pursuant to Subparagraph D (SDMH Approval of Negotiated Rate(s)) and this Subparagraph E, the appropriate Established Maximum Allowable Rates in effect during the Initial Period of this Agreement, the First Automatic Renewal Period, or the Second Automatic Renewal Period, shall be applicable to this Agreement when adopted by State.

(3) The Established Maximum Allowable Rates shall not apply to SFC units which are wholly funded by CGF.

F. Shift of Funds:

(1) DMH control of funds shall be for each Financial Exhibit column(s) identified on the Financial Summary within this Agreement and in the amounts shown in that Financial Exhibit column(s) identified on the Financial Summary. Contractors may utilize realignment funds within a Financial Exhibit column identified on a Financial Summary based upon client service needs. With

Director's prior written approval, Contractor may shift funds, on a dollar-for-dollar basis, from one Financial Exhibit column identified on the Financial Summary to another identified on the Financial Summary within this Agreement and within the applicable Fiscal Year.

(2) Contractor shall make a written report in the applicable Fiscal Year for Director's written approval of a shift of funds from one Financial Exhibit column identified on the Financial Summary to another identified on the Financial Summary. Director shall approve or deny in writing a request to shift funds after a program review within ten working days of the receipt of Contractor's written request.

(3) Before any shift of funds from one Financial Exhibit column identified on the Financial Summary to another identified on the Financial Summary under this Subparagraph F may be requested, Contractor shall determine that the number of clients receiving services, as shown in the MIS reports, for the Financial Exhibit column identified on the Financial Summary whose amount is to be augmented, has been significantly greater during the preceding months than the number initially projected. Such shifting of funds shall be on a dollar-for-dollar basis and as the Maximum Contract Amount of a particular Financial Exhibit column identified on the Financial Summary is augmented, there shall be a corresponding reduction in the Maximum Contract Amount of another Financial Exhibit column identified on the Financial Summary. Under no circumstances can the total Maximum Contract Amount of this Agreement be increased or decreased without a properly executed amendment.

G. Medicare Partial Hospitalization Services:

(1) If Contractor provides any services which Director determines qualify as Medicare Partial Hospitalization services under this Agreement and which are included under any SFCs shown on the Financial Summary, then Contractor shall be reimbursed by County for such services only in arrears and only to the extent of the actual Federal Medicare payments made by the Federal government to County for such Medicare Partial Hospitalization services furnished to eligible Medicare beneficiaries.

Each Fiscal Year of the term of this Agreement, such reimbursement to Contractor shall be made only with Federal Medicare funds, which are not part of the applicable Maximum Contract Amount of this Agreement and are not paid by County to Contractor under this Agreement but which are paid by County to Contractor solely in County's capacity as the fiscal intermediary for such Medicare Partial Hospitalization services.

(2) Notwithstanding any other provision of this Agreement, if Medicare Partial Hospitalization services are provided hereunder, such services shall comply with and be compensated in accordance with all applicable Federal reimbursement requirements.

(3) If Medicare Partial Hospitalization services are provided under this Agreement, Contractor authorizes County to serve as the fiscal intermediary for claiming and reimbursement for Medicare Partial Hospitalization services and to act on Contractor's behalf with the Federal government

in regard to claiming reimbursement for Medicare Partial Hospitalization services.

Contractor shall be solely liable and responsible for all data and information submitted by Contractor to County in support of all claims for Medicare Partial Hospitalization services submitted by County on Contractor's behalf to the Federal government and for any subsequent Federal approvals or denials of such claims that may be based on data and information submitted by Contractor.

Notwithstanding any other provision of this Agreement, Contractor shall hold County harmless from any and all such Federal denials and/or any and all Federal audit disallowances for such Medicare Partial Hospitalization services.

(4) Notwithstanding any other provision of this Agreement, Contractor shall be totally liable and responsible for the accuracy of all data and information on all claims for Medicare Partial Hospitalization services which Contractor inputs into MIS.

(5) Contractor shall comply with all written instructions from County and/or Federal governments regarding Medicare Partial Hospitalization services claiming and documentation. Contractor shall certify in writing that all necessary Medicare Partial Hospitalization services documentation exists at the time any claim for Medicare Partial Hospitalization services is submitted by Contractor to County.

Contractor shall maintain an audit file documenting all Medicare Partial Hospitalization services as instructed by County for a period of seven years from the end of the Fiscal Year in which such services were provided or until final resolution of any audits, whichever occurs later.

(7) County may modify the claiming system for Medicare Partial Hospitalization services at any time in order to comply with changes in Federal laws, rules, regulations, manuals, guidelines, and directives. EPSDT Title XIX Medi-Cal services shall be paid as applicable on the basis of fifty percent EPSDT Title XIX services FFP funds and fifty percent State matching general funds for EPSDT and only when such EPSDT Title XIX services exceed the individual Contractor's EPSDT base line as identified in Paragraph 4 (FINANCIAL PROVISIONS), Subparagraph A(3) (EPSDT). Specialty Mental Health Services should be paid as applicable on the basis of fifty percent Title XIX services FFP and fifty percent local match funds.

(4) Notwithstanding any other provision of this Agreement, if EPSDT Title XIX Medi-Cal services, and/or Title XIX Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities and/or Title IV-A Emergency Assistance services are provided hereunder, such services and administrative activities shall comply with and be compensated in accordance with all applicable Federal and State reimbursement requirements.

(6) Contractor shall hold County harmless from and against any loss to Contractor resulting from any such State denials, unresolved EOB claims, and/or any Federal and/or State audit disallowances for such EPSDT Title XIX Medi-Cal services.

When possible, County shall notify Contractor in writing of any such modification and the reason for the modification thirty days prior to the implementation of the modification.

(11) EPSDT Title XIX Medi-Cal and Title XIX Short-Doyle/Medi-Cal Reconciliation Report: Prior to fourteen and one-half months after the close of each Fiscal Year, Contractor shall provide DMH with two copies of an accurate and complete EPSDT Title XIX Medi-Cal and Title XIX Short-Doyle/Medi-Cal Reconciliation Report at the legal entity level for each of Contractor's Short-Doyle/Medi-Cal provider numbers which are part of the legal entity, for all EPSDT Title XIX Medi-Cal, and/or Title XIX Short-Doyle/Medi-Cal SFC units furnished and State-approved during the applicable Fiscal Year. Each such EPSDT Title XIX Medi-Cal and Title XIX Short-Doyle/Medi-Cal Reconciliation Report shall be prepared by Contractor in accordance with all SDMH instructions and shall be certified in writing by Contractor's Chief Executive Officer. If Contractor does not so provide DMH with the EPSDT Title XIX Medi-Cal and Title XIX Short-Doyle/Medi-Cal Reconciliation Report within such fourteen and

one-half months, then Director, in his sole discretion, shall determine which State approved EPSDT Medi-Cal, and/or Short-Doyle/Medi-Cal data shall be used by County for completion of the EPSDT Title XIX Medi-Cal and Title XIX Short-Doyle/Medi-Cal Reconciliation Report.

(12) EPSDT Title XIX Medi-Cal Services, Title XIX Short-Doyle/Medi-Cal Services, Title XIX Medi-Cal Administrative Activities, Title IV-A Emergency Assistance Services and Medicare Partial Hospitalization Services Overpayment Recovery Procedures: Contractor shall repay to County the amount, if any, paid by County to Contractor for EPSDT Title XIX Medi-Cal services, and Title XIX Short-Doyle/Medi-Cal services, and Title XIX Medi-Cal Administrative Activities, and Title IV-A Emergency Assistance and Medicare Partial Hospitalization services which are found by County, State, and/or Federal governments not to be reimbursable.

For Federal audit exceptions, Federal audit appeal processes shall be followed. County recovery of Federal overpayment shall be made in accordance with all applicable Federal laws, regulations, manuals, guidelines, and directives.

For State audit exceptions, County shall immediately recover any overpayment from Contractor when the State recovers the overpayment from County.

For County audit exceptions, County shall immediately recover the overpayment from Contractor 30 days from the date of the applicable audit determination by Director.

J. Government Funding Restrictions: This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State, including, but not limited to, those contained in State's Budget Act, which may in any way affect the provisions or funding of this Agreement. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

K. Patient/Client Eligibility, UMDAP Fees, Third Party Revenue, and Interest:

(1) Contractor shall comply with all County, State, and Federal requirements and procedures, as described in WIC Sections 5709, 5710 and 5721, relating to: (1) the determination and collection of patient/client fees for services hereunder based on UMDAP and DMH's Revenue Manual, (2) the eligibility of patients/clients for Short-Doyle/Medi-Cal, Medicare, private insurance, or other third party revenue, and (3) the collection, reporting and deduction of all patient/client and other revenue for patients/clients receiving services hereunder. Contractor shall vigorously pursue and report collection of all patient/client and other revenue.

(2) All fees paid by patients/clients receiving services under this Agreement and all fees paid on behalf of patients/clients receiving services hereunder shall be utilized by Contractor only for the delivery of mental health service units specified in this Agreement.

(3) If Contractor provides Title XIX Medi-Cal Administrative Activities funded by Title XIX pursuant to WIC Section 14132.44 as described in Paragraph 3 (DESCRIPTION OF

SERVICES), or Title IV-A Emergency Assistance services funded by Title IV-A, then Contractor shall assure that FFP reimbursement for such Title XIX Medi-Cal Administrative Activities and Title IV-A Emergency Assistance services shall be utilized by Contractor only for the provision of Title XIX Medi-Cal Administrative Activities and Title IV-A Emergency Assistance services, respectively.

(4) Contractor may retain unanticipated revenue, which is not shown in Contractor's Negotiation Package for this Agreement, for a maximum period of one Fiscal Year, provided that the unanticipated revenue is utilized for the delivery of mental health service units specified in this Agreement. Contractor shall report the mental health services funded by this unanticipated revenue in the Annual Cost Report submitted by Contractor to County. The Annual Cost Report shall be prepared as instructed by State and County.

(5) Contractor shall not retain any fees paid by any resources for or on behalf of Medi-Cal beneficiaries and/or Title IV-A Emergency Assistance recipients without having those fees deducted from the cost of providing the mental health service/units specified in this Agreement.

(6) Contractor may retain any interest and/or return which may be received, earned or collected from any funds paid by County to Contractor, provided that Contractor shall utilize all such interest and return only for the delivery of mental health service units specified in this Agreement.

(7) Failure of Contractor to report in all its monthly claims and in its Annual Cost Report all fees paid by patients/clients receiving services hereunder, all fees paid on behalf of patients/clients receiving services hereunder, all fees paid by third parties on behalf of Medi-Cal beneficiaries and/or Title IV-A Emergency Assistance recipients receiving services and/or activities hereunder, all unanticipated revenue not shown in Contractor's Negotiation Package for this Agreement, and all interest and return on funds paid by County to Contractor, shall result in: (1) Contractor's submission of a revised claim statement showing all such nonreported revenue, (2) a report by County to SDMH of all such nonreported revenue, (3) a report by County to the Federal Health Care Financing Administration (HCFA) should any such unreported revenue be paid by any resources for or on behalf of Medi-Cal beneficiaries and/or Title IV-A Emergency Assistance recipients, and/or (4) any appropriate financial adjustment to Contractor's reimbursement.

L. Payment:

(1) For each month of the term of this Agreement, Contractor shall submit to County a claim for each applicable Financial Exhibit column identified on the Financial Summary and Rate Schedule, in the form and content specified by County. Each monthly claim shall be submitted within sixty days of Contractor's receipt of County's MIS reports for the last date mental health services were provided during the particular month, within sixty days of the last date Title XIX Medi-Cal Administrative Activities were provided during the particular month, and/or within sixty days of the last date Title IV-A Emergency Assistance services were provided during the particular month.

(a) Capitated Rate: Contractor's monthly claim to County shall show all

Contractor's enrolled individuals/members covered by the Capitated Rate Program and all other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder for the particular month.

(b) Cost Reimbursement: Contractor's monthly claim to County shall show all Contractor's actual and allowable costs and all other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder for the particular month. The County may make provisional reimbursement, subject to final settlement to cost. All provisional reimbursement shall be based upon specialty mental health services actually provided as shown on County's Claims Systems reports. Contractor certifies that all units of service claimed by Contractor on a provisional reimbursement basis are true and accurate claims for reimbursement.

(c) For IMDs Only: Those Institutions for Mental Disease which are licensed as Skilled Nursing Facilities (SNF) by SDHS are, thereby, entitled by law to the rates established by SDHS for Skilled Nursing Facilities. The IMD rate consists of a basic SNF rate and a STP rate, or a MHRC rate. Contractor's monthly claim to County shall be for those patient days that have been approved in writing by the County and shall be separately itemized by each patient day. Claims shall be submitted to County within 30 days of the end of the billing period. Monthly claims shall be reviewed and approved by County.

(d) Negotiated Rate: Contractor's monthly claim to County shall be separately itemized by each SFC to show the payment calculation for each SFC by multiplying the SFC units as shown on MIS reports by the applicable NR for such SFC as shown on the Financial Summary, except that for PATH and SAMHSA services, Contractor's monthly claim shall show Contractor's actual and allowable costs, less all fees paid by or on behalf of patients/clients receiving services hereunder and all other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder.

(1) DMH shall have the option to deny payment for services when documentation of clinical work does not meet minimum State and County standards.

(2) Final reimbursement to Contractor shall not exceed the listed rates as shown on the Financial Summary. Provisional reimbursement to contractor shall be at the State established Title XXII rates for CPT codes. At cost report, provisional reimbursement will be adjusted to State approved Negotiated Rates not to exceed the rates shown on the Financial Summary and shall be considered payment in full, subject to third party liability and beneficiary share of cost, for the specialty mental health services provided to a beneficiary. Reimbursement shall be made only for State approved Short-Doyle/Medi-Cal claims and to the extent that funds allocated by State for County specifically for these services are available.

(3) For Organizational Providers only. Provisional reimbursement shall be based on the rates shown on the Provisional Rate Schedule(s) as published and periodically

revised as supplements to the Los Angeles County DMH Fee-For-Service Medi-Cal Specialty Mental Health Services Provider Manual by the DMH, Office of Managed Care and distributed to DMH Organizational Providers and to the Los Angeles County DMH Contracts Development and Administration Division.

Further, Contractor agrees to hold harmless both the State and beneficiary in the event County cannot or will not pay for services performed by Contractor pursuant to this Agreement.

(2) On the basis of this monthly claim and after Director's review and approval of the monthly claim, Contractor shall receive from County payment of Contractor's claimed amount for NR services, actual and allowable costs for all cost reimbursed services and activities, and claimed amount for Capitated Rate, less all revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder, including, but not limited to, all Medicare, patient/client fees, private insurance, and any other revenue, interest and return as described in Subsection 7 of Subparagraph K (Patient/Client Eligibility, UMDAP Fees, Third Party Revenue, and Interest).

The monthly claim and subsequent payment shall be made in accordance with County policies and procedures. If a claim is not submitted as required by County, then payment shall be withheld until County is in receipt of a complete and correct claim and such claim has been reviewed and approved by Director.

If Contractor has received any Cash Flow Advance pursuant to Subparagraph M (Cash Flow Advances In Expectation of Services/Activities To Be Rendered), then Director may, in his discretion, at any time, make adjustments to any of Contractor's monthly claims as necessary to ensure that Contractor shall not be paid by County a sum in excess of the amount determined by multiplying the SFC units as shown on MIS reports by the applicable NR for such SFC as shown on the Financial Summary for NR services and/or Contractor's actual and allowable costs of providing mental health services and Title XIX Medi-Cal Administrative Activities and/or a sum in excess of the amount determined by multiplying the Capitated Rate by the applicable enrolled individuals/members for Capitated Rate Contractors, or the Maximum Contract Amount for such Fiscal Year as shown in Subparagraphs B (Reimbursement for Initial Period) or C (Reimbursement If Agreement Is Automatically Renewed), whichever is less, less all revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder. Contractor may request in writing, and shall receive if requested, DMH's computations for determining any adjustment to Contractor's monthly claim.

(3) All monthly claims shall be subject to adjustment based upon the MIS reports, EOB data, and/or Contractor's Annual Cost Report which shall supersede and take precedence over all claims.

(4) All monthly claims shall be based on mental health services actually provided as shown on MIS reports and/or Title XIX Medi-Cal Administrative Activities actually provided as shown by State-approved time studies prepared or actual and allowable costs for State approved units of activities

reported by Contractor. Contractor certifies that all units of services reported by Contractor into MIS are true and accurate claims for reimbursement.

(5) EPSDT Title XIX Medi-Cal funds, and Title XIX Short-Doyle/Medi-Cal and Title IV-A Emergency Assistance FFP funds shall be paid by County to Contractor only for State approved claims for EPSDT Title XIX Medi-Cal and/or Title XIX Short-Doyle/Medi-Cal and/or Title IV-A Emergency Assistance SFC units provided to eligible Medi-Cal beneficiaries. EPSDT Title XIX Medi-Cal funds, and Title XIX Short-Doyle/Medi-Cal and Title IV-A Emergency Assistance FFP funds shall be paid by County to Contractor only in arrears, only for the period of time Contractor is certified as a Title XIX Short-Doyle/Medi-Cal provider and/or is authorized as Title IV-A Emergency Assistance provider, only to the extent that eligible FFP matching funds are available under this Agreement, and only after County has received EPSDT and FFP payment from State.

(6) Title XIX Medi-Cal Administrative Activities FFP funds shall be paid by County to Contractor only for State approved claims for Title XIX Medi-Cal Administrative Activities based on time studies prepared or actual and allowable costs for units of activities reported by Contractor. Title XIX Medi-Cal Administrative Activities FFP funds shall be paid by County to Contractor only in arrears and only if Contractor is authorized as a Title XIX Medi-Cal Administrative Activities provider, only to the extent that eligible FFP matching funds are available under this Agreement, and only after County has received FFP payment from State.

(7) EPSDT and FFP funds shall be paid by County to Contractor solely in County's capacity as the fiscal intermediary for EPSDT Title XIX Medi-Cal services, Title XIX Short-Doyle/Medi-Cal services, Title XIX Medi-Cal Administrative Activities, and Title IV-A Emergency Assistance services. Each Fiscal Year of the term of this Agreement, County shall pay to Contractor FFP funds only to the extent that the applicable Maximum Contract Amount has eligible State and/or local funds which qualify as the match to FFP, as required by Federal and/or State laws, regulations, manuals, guidelines, and directives.

(8) Federal Medicare Partial Hospitalization services funds shall be paid by County to Contractor only for Federal-approved claims for Medicare Partial Hospitalization services SFC units provided to eligible Medicare beneficiaries. Federal Medicare Partial Hospitalization services funds shall be paid by County to Contractor only in arrears and only after County has received Federal Medicare Partial Hospitalization payment.

(9) EPSDT Title XIX Medi-Cal services funds, Title XIX Short-Doyle/Medi-Cal services FFP funds, Title XIX Medi-Cal Administrative Activities FFP funds, Title IV-A Emergency Assistance services FFP funds and/or Medicare Partial Hospitalization services funds shall be paid by County to Contractor solely in County's capacity as the fiscal intermediary for EPSDT Title XIX Medi-Cal services, Title XIX Short-Doyle/Medi-Cal services, Title XIX Medi-Cal Administrative Activities, Title IV-A Emergency Assistance services, and/or Medicare Partial Hospitalization services. Each Fiscal Year of the

term of this Agreement, County shall pay to Contractor EPSDT Title XIX Medi-Cal services, and/or Title XIX Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities, and/or Title IV-A Emergency Assistance services and/or Medicare Partial Hospitalization services funds only to the extent required by Federal laws, regulations, manuals, guidelines, and directives.

(10) Notwithstanding any other provision of this Agreement, in the event that Contractor provides EPSDT Title XIX Medi-Cal services pursuant to the EPSDT provisions of this Agreement in excess of Contractor's EPSDT baseline as identified in Paragraph 4 (FINANCIAL PROVISIONS), Subparagraph A (3) (EPSDT) as calculated with SDMH service approval data, and County does not meet the Fiscal Year 1994-95 base as adjusted by the State, Contractor shall be paid by County from a CGF risk reserve pool established for this purpose. The CGF risk reserve pool funds shall be maintained in accordance with County policies and procedures and shall be for the SDMH general fund portion of the individual Contractor's EPSDT approved services.

(11) County pays any EPSDT-SGF (Early and Periodic Screening, Diagnosis, and Treatment-State General Funds) local matching funds in excess of the EPSDT baseline as identified in Paragraph 4 (FINANCIAL PROVISIONS), Subparagraph A (3) (EPSDT) and Medi-Cal Federal Financial Participation Funds (FFP) to Contractor solely in County's capacity as the EPSDT-SGF and FFP intermediary between the Contractor and the State. Solely to assist the County in expeditiously processing and initially paying Contractor (because of the internal accounting necessity for appropriation authority) for such claims for payment pending reimbursement from the state, the Maximum Contract Amount(s) of this Agreement shall include EPSDT-SGF and/or FFP. This will establish legal authorization by the Board of Supervisors to make expenditures for the services and/or activities identified on the Financial Summary and Service Exhibit(s) of this Agreement, pending reimbursement by the state. To the extent Contractor exceeds the EPSDT-SGF and/or FFP amount(s) included in this Agreement, such excess will be paid to Contractor only upon Contract Amendment approved by the Board of Supervisors, or from an Appropriation Account set up to record the Board's specific authorization to spend EPSDT-SGF and FFP in excess of the Maximum Contract Amount(s).

Contractor understands and agrees that County's assistance in processing and, as an intermediary for the State and Federal governments, initially paying for EPSDT-SGF and FFP in accordance with the above is subject to reimbursement from the State and does not render County in any way responsible for the substantive obligation to be ultimately fiscally responsible for payment for Contractor's claims for payment for these services. Contractor's entitlement to payment for such services, or claimed services, is entirely dependent upon compliance with the law and regulations related to same. In the event of a dispute regarding entitlement for payment, Contractor agrees that County is not liable for payment for such claims and will not pursue any such claims for payment against County.

/

M. Cash Flow Advance In Expectation of Services/Activities To Be Rendered:

For each month of each fiscal year, County will reimburse Contractor based upon the County and/or State and/or federal government(s) processing of the reimbursement claims for rendered services/activities submitted by Contractor to the County subject to claim edits, and future settlements and audit processes. However, for each month of each fiscal year not to exceed three (3) or five (5) consecutive months, or portion thereof, as described below, and for such month the County and/or State and/or federal government(s) have not made payment, and/or such payment is less than $1/12^{th}$ of the Maximum Contract Amount, Contractor may request in writing from County a monthly County General Fund Cash Flow Advance as herein described.

Cash Flow Advance shall consist of, and shall be payable only from, the Maximum Contract Amount appropriation approved by County's Board of Supervisors for the particular fiscal year in which the costs are to be incurred and upon which the request(s) is (are) based.

Cash Flow Advance is intended to provide cash flow to Contractor pending Contractor's rendering and billing of eligible services/activities, as identified by Paragraph 3, DESCRIPTION OF SERVICES/ACTIVITIES of this Agreement, to the County and/or State and/or federal government(s), and the County and/or State and/or federal government(s) have made payment for such services/activities. Contractor may request each monthly Cash Flow Advance only for such services/activities and only when there is no reimbursement from other public or private sources for such services/activities.

The Cash Flow Advance amount for any particular month will be reduced by County payments of actual reimbursement claims received by County from the Contractor. The County's claims payment process is initiated immediately upon County receipt from Contractor of a reimbursement claim. If such Contractor reimbursement claim is received at any time during either the initial three (3) or two (2) additional consecutive months, the monthly payment to Contractor will include the payment for such actual reimbursement claim thereby reducing the Cash Flow Advance disbursement amount for that particular month.

Cash Flow Advance is based upon the following:

(1) Each month of each fiscal year not to exceed three (3) consecutive months, or portion thereof, that this Agreement is in effect, Contractor may request, separately for each month, in writing from County a monthly County General Fund Cash Flow Advance for any funds which may be part of the Maximum Contract Amount for such fiscal year as identified on the Financial Summary Page. Contractor shall specify in their request the amount of the monthly Cash Flow Advance not to exceed $\$$_____ per month and the total Cash Flow Advance for the three (3) months shall not exceed $\$$_____. The Cash Flow Advance monthly amount is $1/12^{th}$ of Maximum Contract Amount as identified on the Financial Summary Page, annualized Maximum Contract Amount if a partial year.

(2) A Contractor providing EPSDT Short-Doyle Medi-Cal services as part of this Agreement,

may for two (2) additional consecutive months, or portion thereof, that this Agreement is in effect, request, separately for each month, in writing from County a monthly County General Fund Cash Flow Advance for any FFP and/or EPSDT-SGF funds designated for clients less than 21 years of age which may be part of the Maximum Contract Amount for such fiscal year as shown on the Financial Summary Page. Contractor shall specify in their request the amount of the monthly Cash Flow Advance not to exceed $_____ per month for each of the two (2) additional consecutive months and the total Cash Flow Advance for the two (2) additional consecutive months shall not exceed $_____. The Cash Flow Advance monthly amount for each of the two (2) consecutive months is:

(1) 1/12th of the Maximum Contract Amount for EPSDT-SGF as identified on the Financial Summary Page, annualized Maximum Contract Amount if a partial year plus;

(2) An amount equal to the 1/12th of the Maximum Contract Amount for EPSDT-SGF that is the Cash Flow Advance component for the anticipated FFP financial participation to be provided by the federal government for services provided to EPSDT Medi-Cal beneficiaries.

Upon receipt of a request, Director, in his sole discretion, shall determine whether to approve the Cash Flow Advance request and, if approved, whether the request is approved in whole or in part. The time schedules and examples for County claims payment, and the 3 and 5 months Cash Flow Advance disbursement(s) and Contractor repayment of Cash Flow Advance funds to County by means of a County offset to Contractor claims to County are incorporated herein as Attachment V.

County identifies if Contractor's units of service and State FFP & EPSDT-SGF approvals are meeting or exceeding the contracted levels and if not Cash Flow Advance recovery is initiated to ensure Contractor completes repayment of the Cash Flow Advance with units of services by the time the Contractor's fiscal year's twelfth month of claims are received and processed.

R. Post-Contract Audit Settlement:

(1) In the event of a post-contract audit conducted by County, State, and/or Federal personnel, actual and allowable SFC units for NR services and actual and allowable costs for cost reimbursement services shall be determined for each Fiscal Year or portion thereof that this Agreement is in effect. Such audit may include requests to review any fiscal, programmatic, or SFC unit concerns County, State, and/or Federal auditors may have under this Agreement. One of the purposes of the audit determination of actual and allowable SFC units is to identify and adjust for duplicated claims; SFC units not provided; SFC units not documented; and utilization review findings, including, but not limited to, unnecessary care and the lack of appropriate licensed practitioners of the healing arts.

(2) For mental health services, if the post-contract audit conducted by County, State, and/or Federal personnel determines that the amounts paid by County to Contractor for any SFC units furnished hereunder are more than the amounts allowable pursuant to this Agreement, then the difference shall be due by Contractor to County.

For Title XIX Medi-Cal Administrative Activities, if the post-contract audit conducted by County, State, and/or Federal personnel determines that the actual and allowable costs for Title XIX Medi-Cal Administrative Activities furnished hereunder are more than the amounts allowable pursuant to this Agreement, then the difference shall be due by Contractor to County. For Title XIX Medi-Cal Administrative Activities, if the post-contract audit conducted by County, State, and/or Federal personnel determines that the actual and allowable costs for Title XIX Medi-Cal Administrative Activities furnished hereunder are less than the amounts reimbursable pursuant to this Agreement, then the difference shall be paid by County to Contractor, provided that in no event shall County's Maximum Contract Amount for the applicable Fiscal Year, as shown in Subparagraph B

(Reimbursement For Initial Period) or C (Reimbursement If Agreement Is Automatically Renewed), be exceeded.

S. Audit Appeals After Post-Contract Audit Settlement: If Contractor appeals any audit report, the appeal shall not prevent the post-contract audit settlement pursuant to Subparagraph R (Post-Contract Audit Settlement).

T. County Audit Settlements: If, at any time during the term of this Agreement or at any time after the expiration or termination of this Agreement, authorized representatives of County conduct an audit of Contractor regarding the mental health services and/or Title XIX Medi-Cal Administrative Activities provided hereunder and if such audit finds that County's dollar liability for such services and/or administrative activities is less than payments made by County to Contractor, then the difference shall be due by Contractor to County. Contractor shall pay County according to the method described in Subparagraph U (Payments Due to County/Method of Payment).

If such audit finds that County's dollar liability for such services and/or administrative activities provided hereunder is more than payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's Maximum Contract Amount for the applicable Fiscal Year, as shown in Subparagraph B (Reimbursement For Initial Period) or C (Reimbursement If Agreement Is Automatically Renewed), be exceeded.

U. Payments Due to County/Method of Payment: Within ten days after written notification by County to Contractor of any amount due by Contractor to County, Contractor shall notify County as to which of the following six payment options Contractor requests be used as the method by which such amount shall be recovered by County. Any such amount shall be: (1) paid in one cash payment by Contractor to County, (2) offset against prior year(s) liability(ies), (3) deducted from future claims over a period not to exceed three months, (4) deducted from any amounts due from County to Contractor whether under this Agreement or otherwise, (5) paid by cash payment(s) by Contractor to County over a period not to exceed three months, or (6) a combination of any or all of the above. If Contractor does not so notify County within such ten days, or if Contractor fails to make payment of any such amount to County as required, then Director, in his sole discretion, shall determine which of the above six payment options shall be used by County for recovery of such amount from Contractor.

V. Interest Charges on Delinquent Payments: If Contractor, without good cause as determined in the sole judgment of Director, fails to pay County any amount due to County under this Agreement within sixty days after the due date, as determined by Director, then Director, in his sole discretion and after written notice to Contractor, may assess interest charges at a rate equal to County's Pool Rate, as determined by County's Auditor-Controller, per day on the delinquent amount due commencing on the sixty-first day after the due date. Contractor shall have an opportunity to present to Director information bearing on the issue of whether there is a good cause justification for Contractor's failure to pay County within sixty days after the due date. The interest charges shall be: (1) paid by

Contractor to County by cash payment upon demand and/or (2) at the sole discretion of Director, deducted from any amounts due by County to Contractor whether under this Agreement or otherwise.

W. Financial Solvency: Contractor shall maintain adequate provisions against the risk of insolvency.

X. Limitation of County's Obligation Due to Nonappropriation of Funds: Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during this or any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such fiscal year. Should County, during this or any subsequent fiscal year impose budgetary restrictions which appropriate less than the amount provided for in Subparagraph B (Reimbursement For Initial Period) and Subparagraph C (Reimbursement If Agreement Is Automatically Renewed) of this Agreement, County shall reduce services under this Agreement consistent with such imposed budgetary reductions. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor of any such changes in allocation of funds at the earliest possible date.

Y. Use of Certain Non-County Funds: A review of Contractor's expenditures and commitments to utilize any non-County funds, which are specified in this Agreement for the services hereunder and which are subject to time limitations as determined by Director, shall be conducted by County and Contractor midway through each Fiscal Year during the term of this Agreement, midway through the applicable time limitation period for such non-County funds if such period is less than a Fiscal Year, and/or at any other time or times during each Fiscal Year as requested by Director. At least fifteen days prior to each such review, Contractor shall provide Director with a current update of all Contractor's expenditures and commitments of such non-County funds during such Fiscal Year or other applicable time period. If Director, in his sole judgment, determines from such review that there will be any nonexpenditure of such non-County funds, then Director, to the extent authorized by County's Board of Supervisors, shall reduce the Maximum Contract Amount for the applicable Fiscal Year up to the amount of such anticipated nonexpenditure, or Director shall recommend to County's Board of Supervisors a reduction in the Maximum Contract Amount for the applicable Fiscal Year up to the amount of such anticipated nonexpenditure. If Director determines to reduce, or recommend a reduction in, the Maximum Contract Amount for such Fiscal Year, then Director shall notify Contractor in writing and shall provide Contractor with the revised Maximum Contract Amount for such Fiscal Year. Any reduction in the Maximum Contract Amount for the applicable Fiscal Year shall be effected by an amendment to this Agreement pursuant to Paragraph 37 (ALTERATION OF TERMS) which shall set forth the revised Maximum Contract Amount and the revised Financial Exhibit column(s) identified in the Financial Summary for such Fiscal Year.

Notwithstanding any other provision of this Agreement, the revised Maximum Contract Amount

and the revised Financial Exhibit column(s) identified in the Financial Summary for such Fiscal Year shall entirely supersede the then existing Maximum Contract Amount and Financial Exhibit column(s) identified in the Financial Summary as of the date determined by Director or County's Board of Supervisors and set forth in the amendment.

Z. Contractor Requested Changes:

(1) If Contractor desires any change in the terms and conditions of this Agreement, Contractor shall request such change in writing prior to April 1 of the Fiscal Year for which the change would be applicable, and all changes shall be made by an amendment pursuant to Agreement Paragraph 37 (ALTERATION OF TERMS).

DD. AB3632 Services Utilizing SB90 Funds: SB90 funds are part of the Maximum Contract Amount(s) of this Agreement and shall be paid by County to Contractor solely in County's capacity as the SB90 claim intermediary between the Contractor and the State. Notwithstanding any other provision of this Agreement, in the event that Contractor provides AB3632 services reimbursable under the State's SB90 mandate claim process, in excess of the Contractor's Fiscal Year 1997-1998 base of $_____, Contractor shall be paid by County from SB90 funds upon receipt from the State. In the event that SB90 funds are not available to pay SB90 claims or that State denies any or all of the SB90 claims submitted by County on behalf of Contractor, Contractor shall indemnify and hold harmless County for any and all liability for payment of any or all of the denied SB90 claims or for the unavailability of SB90 funds to pay for SB90 claims. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

48. CHILD SUPPORT COMPLIANCE PROGRAM:

A. Contractor's Acknowledgement of County's Commitment to Child Support Enforcement: The Contractor acknowledges that the County places a high priority on the enforcement of child support laws and the apprehensive of child support evaders. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "LA's Most Wanted: Delinquent Parent's" poster in a prominent position at the Contractor's place of business. The County's Child Support Services Department will supply the Contractor with the poster to be used.

B. Contractor's Warranty of Adherence to County's Child Support Compliance Program:

(1) The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Purchase Order or Agreement are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

(2) As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Contractor's duty under this Agreement to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the

term of this Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

49. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT: Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

50. USE OF RECYCLED-CONTENT PAPER PRODUCTS: Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on the Project.

51. CONTRACTOR RESPONSIBILITY AND DEBARMENT: The following requirements set forth in the Ordinance are effective for this Agreement, except to the extent applicable State and/or Federal laws are inconsistent with the terms of the Ordinance.

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding on County contracts for a specified period of time not to exceed 3 years, and terminate any or all existing contracts the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated any term of an Agreement with the County, (2) committed any act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

D. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. If the Contractor fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Contractor may be deemed to have waived all rights of appeal.

F. A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

G. These terms shall also apply to subcontractors/subconsultants of County Contractors.

52. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within thirty (30) calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program.

Failure by Contractor to meet the requirements of this Paragraph shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

53. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT: The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA"). Contractor understands and agrees that, as a provider of medical treatment services, it is a "covered entity" under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA.

The parties acknowledge their separate and independent obligations with respect to HIPAA, and that such obligations relate to *transactions and code sets*, *privacy*, and *security*. Contractor

understands and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligations under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

Contractor and County understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees and agents), for its failure to comply with HIPAA.

54. COMPLIANCE WITH JURY SERVICE PROGRAM:

A Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be

attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

55. NOTICES: All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be delivered with signed receipt or mailed by first class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices or demands which are required or permitted by County under this Agreement. Addresses and persons to be notified may be changed by either party by giving ten days prior written notice thereof to the other party.

| | Estimated EPSDT Earned Not Yet Collected | A/R Balance* | Deferred Rev | Payments Anticipated in FY 02/03 | Premise | Financial Impact |
|---|---|---|---|---|---|---|
| **FY 2000-01** | 43,491,734 | 28,134,310 | - | 43,491,734 | Current Premise: State pays all of the $43,491,734. | County will achieve it's FY 02/03 A/R collection goals, and will overrealize an additional $15,357,424 to finance a portion of the $32,800,000 FY 2002-2003 State deferred EPSDT-SGF revenues. |
| | | | | | Worst-Case Scenario: State fails to pay any EPSDT-SGF in FY 02/03. | County would need to finance $28,134,310, and the Department will not overrealize the balance ($15,357,424) which was not accrued. |
| **FY 2001-02** | 54,383,173 | - | 54,383,173 (Deferred until FY 03/04) | 28,803,871 | Current Premise: State pays all of the $28,803,871. | The Department will collect $28,803,871 in overrealized funds, and will be able to use this amount to finance a portion of the $32,800,000 FY 2002-2003 State deferred EPSDT-SGF revenues. |
| | | | | | Worst-Case Scenario: State fails to pay any EPSDT-SGF in FY 02/03. | DMH would not collect $28,803,871 in overrealized funds, and this amount would not be available to fund the FY 2002-2003 State deferred EPSDT-SGF revenues. County would need to finance. |
| **FY 2002-03** | 139,100,000 | - | 32,800,000 * (Deferred until FY 04/05) | 104,400,000 | Current Premise: State pays all of the $104,400,000 | The Department will collect the full 75% of the amount the State is currently committed to advance for EPSDT-SGF funds in the year of service. |
| | | | | | Worst-Case Scenario: State fails to pay any EPSDT-SGF in FY 02/03. | If State fails to pay any of the 75% advance amount for FY 02/03, County would need to finance up to $104,400,000. |
