Dear Supervisors and Commissioners:

**APPROVE ACTIONS RELATED TO THE TRANSFER OF FUNDS TO THE
COMMUNITY DEVELOPMENT COMMISSION FOR THE DEVELOPMENT OF
WESTSIDE SAFE HAVEN BY OCEAN PARK COMMUNITY CENTER
(SUPERVISORIAL DISTRICT 3)
(3 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD, ACTING AS GOVERNING BODY OF
THE COUNTY:**

1. Approve and delegate authority to the Director of Mental Health to execute a Letter of Agreement, substantially similar to the Attachment, between the Department of Mental Health (DMH) and the Community Development Commission (Commission) for \$200,000. The Agreement will provide funding for development costs associated with construction of Westside Safe Haven (Westside) by Ocean Park Community Center (OPCC), effective upon Board approval. This Agreement will be funded within the Adopted Budget for Fiscal Year (FY) 2002-2003 with \$200,000 in realignment funds.
2. Approve and delegate authority to the Director of Mental Health to execute any and all documents necessary to complete the lump sum payment of a maximum

of \$200,000 from DMH to the Commission, effective upon approval as to form by County Counsel.

IT IS RECOMMENDED THAT YOUR BOARD, ACTING AS GOVERNING BODY OF THE COMMUNITY DEVELOPMENT COMMISSION:

1. Approve and delegate authority to the Executive Director of the Community Development Commission (Commission) to execute a Letter of Agreement, substantially similar to the Attachment, between Department of Mental Health (DMH) and the Commission for \$200,000. The Agreement will provide funding for development costs associated with construction of Westside by OPCC, effective upon Board approval. This Agreement will be funded within the DMH Adopted Budget for Fiscal Year (FY) 2002-2003 with \$200,000 in DMH realignment funds.
2. Approve and delegate authority to the Executive Director of the Commission to execute any and all documents necessary to complete the lump sum payment of a maximum of \$200,000 from DMH to the Commission, effective upon approval as to form by County Counsel.
3. Approve and delegate authority to the Executive Director of the Commission to incorporate the funds in the Commission's FY 2003-2004 budget.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The purpose of the recommended action is to authorize DMH to make a \$200,000 payment to the Commission for development activities associated with construction of Westside by OPCC. Westside will provide a safe place for homeless persons with psychiatric disabilities to receive shelter and supportive services.

This project is in accordance with the Los Angeles Homeless Services Authority Continuum of Care Planning Process for 2003 that, for Service Planning Area 5 (West Los Angeles), places housing for "mentally ill individuals/dually diagnosed individuals/substance abuse individuals/individuals with multiple diagnoses" as the highest priority. In order to address the needs of homeless persons in West Los Angeles, OPCC is proposing to acquire and renovate a property in order to develop a safe haven. Approval of this Agreement will help to enhance the community's stock of safe housing with appropriate supportive services for homeless individuals with psychiatric disabilities, including those with co-occurring substance abuse. The goal of this project is to help these individuals move off the streets and re-integrate into society.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with Organizational Goal 1, "Service Excellence" within the Countywide Strategic Plan. The approved project will provide a safe place where homeless mentally ill persons can receive shelter and critical supportive services.

FISCAL IMPACT/FINANCING

The requested action will have no fiscal impact, as funding is part of the approved DMH budget for FY 2002-2003. The \$200,000 for this project is provided by realignment funds. The funds will be disbursed by the Commission for payment of approved development activities for this project. The Letter of Agreement contains the provision that, should this project fail to be realized, the Commission is to place any unspent funds into a trust fund for future projects determined by DMH.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

DMH is entering into a Letter of Agreement with the Commission to provide the Commission with \$200,000 for costs associated with the development of the Westside Safe Haven project. This funding is one portion of an approximate \$7,000,000 project with multiple funding sources. The Commission will go to the Board of Commissioners for the appropriation of \$200,000 of Community Development Block Grant funds for this development along with the approval of a Development Agreement with OPCC. Westside will be located in Service Area 5; the specific site has not yet been secured. The Commission will provide management oversight of development activities and will disburse funds in accordance with the approved Development Budget.

This proposed action has been reviewed and approved by County Counsel, the Chief Administrative Office (CAO) and DMH's Fiscal and Program Services staff.

CONTRACTING PROCESS

This subject does not apply.

DMH is providing funds to the Commission to assist it in carrying out its project with OPCC.

IMPACT ON CURRENT SERVICES

The proposed actions will enable OPCC to provide a safe place where homeless mentally ill persons can receive shelter and critical supportive services.

CONCLUSION

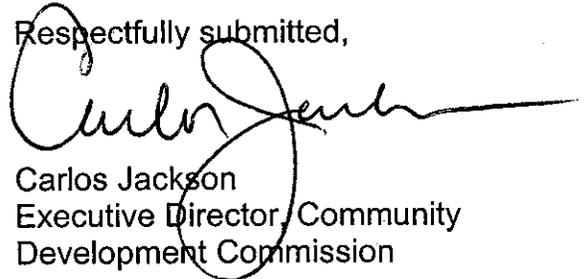

The Department of Mental Health will need one (1) copy of the adopted Board actions. It is requested that the Executive Officer, Board of Supervisors, notify the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684 when these documents are available.
