Authorize the renewal of 27 Mental Health Services Contract Allowable Rate FFS Medi-Cal Psychiatric Inpatient Hospital Services Agreements, in accordance with the attached list, for Fiscal Years 2004-2005, 2005-2006 and 2006-2007.

Delegate authority to the Director of Mental Health or his designee to prepare, sign and execute these agreements and future new agreements with other qualified FFS Medi-Cal certified hospitals and amendments between the County and Contractors. These Agreements do not contain a maximum contract dollar amount, but specify contract allowable rates per day for acute psychiatric inpatient hospital services and administrative day services.

Approve the Request for Appropriation Adjustment in the amount of \$8,000,000 fully funded by the Mental Health Managed Care State allocation, \$4,000,000, and FFS Medi-Cal revenue, \$4,000,000. The increase in appropriation will provide spending authority for FFS contract providers in FY 2004-2005.

CONTRACTORS

Chapter 633 (AB 757) of statutes of 1994 authorizes the transfer of State funding for FFS Medi-Cal psychiatric inpatient hospital services from the State Department of Health Services to the State Department of Mental Health. On December 20, 1994, your Board approved Los Angeles County's participation in FFS Medi-Cal psychiatric inpatient hospital services consolidation and the transfer of State General Fund Medi-Cal match dollars to the County for payment of services and administration of the program.

The 27 FFS Medi-Cal Psychiatric Inpatient Hospitals will provide acute psychiatric inpatient hospital services and administrative day services in a licensed acute psychiatric hospital or in a general acute care hospital providing a 24-hour psychiatric

treatment program. The contractor will not utilize or otherwise arrange for 5150 assessment personnel or processes outside the confines of the Contractor's facility without the written consent of the Director or his designee.

INTENT

The Mental Health Services Contract Allowable Rate FFS Medi-Cal Psychiatric Inpatient Hospital Services Agreements are with 27 Medi-Cal certified hospitals that provide acute psychiatric inpatient services and administrative day services to the residents of Los Angeles County.

JUSTIFICATION

Board approval is also required for delegation of authority to the Director of Mental Health or his designee to execute these agreements and future new agreements and amendments with FFS Medi-Cal psychiatric inpatient hospitals.

The renewal of these 27 FFS Medi-Cal agreements will allow for uninterrupted, medically necessary acute psychiatric inpatient hospital services and administrative day services to severely mentally ill clients who reside throughout the County of Los Angeles.
