**HEARING ON DEPARTMENT OF MENTAL HEALTH'S
PUBLISHED CHARGES FOR FISCAL YEAR 2003-2004
(ALL SUPERVISORIAL DISTRICTS)**

REQUEST:

Request Board approval of the attached proposed Department of Mental Health's (DMH) Published Charges for Fiscal Year (FY) 2003-2004, effective July 1, 2003.

INTENT:

Approval for the above action is requested to ensure that Published Charges are in compliance with Medi-Cal requirements. Maximization of Federal revenues necessitates that Published Charges be established at least annually.

JUSTIFICATION:

The recommended Published Charges comply with Federal Short-Doy/e/Medi-Cal (SD/MC) audit requirements, which took effect on July 1, 1992. Federal requirements stipulate that Published Charges are to be determined at the countywide level.

Approval of these charges will accommodate requirements of the State Plan Amendment under Title IX of the Social Security Act for the State of California.

Federal Lower of Costs or Charges (LCC) audit disallowances will be avoided because of compliance. DMH has not included any charges which are set by either State or Federal agencies for which it has no jurisdictional rate setting authority. DMH will bill those charges as directed by those authorities.

CONTRACTING PROCESS:

The subject does not apply since DMH's Published Charges apply only to DMH's directly-operated clinics.
