8:30 - 12:00 PM PROGRAM

This training will assist clinicians to:

- (1) Identify at least three (3) substances commonly used by older adults in the mental health system;
- (2) Utilize at least three (3) skills needed to determine the consumer's level of readiness or willingness to address substance use issues; and
- (3) Demonstrate proficiency in using a specific intervention to assist consumers at every level of readiness to take action toward better mental health.

Open to all DMH and Contracted Older Adult Providers

Co-sponsored by:

*Los Angeles County Department of Mental Health
UCLA Integrated Substance Abuse Programs*

Continuing Education

This training meets the qualifications for the provision of 3.0 continuing education credits/contact hours (CEs/CEHs). UCLA Integrated Substance Abuse Programs (ISAP) is approved by the American Psychological Association to sponsor continuing education for psychologists. UCLA ISAP maintains responsibility for this program and its content. UCLA ISAP is also an approved provider of continuing education for MFTs and LCSWs (CA BBS, #PCE 2001), CADCs (CFAAP/CAADAC, #2N-00-445-1111), CATCs (CAADE, #CP 20 903 C0613), CASs (BCAS/CAARR, #5033), and RASs (Breining Institute, #CEP0604111449-ULA-HE). Provider approved by the California Board of Registered Nursing, Provider #15455, for 3.0 contact hours.
