

Are you ready to **JUMP START** your career in Mental Health?

JUMP START is a subsidized fellowship for people interested in working in the community (public) mental health field.

This fellowship is open to graduates with a BA or BS in any discipline.

Participants will be trained in the classroom and gain first hand experience during an assigned internship.

JUMP START Session 9

March 21—June 10

Early Application Deadline: February 7

Final Deadline: February 11
