COUNTY OF LOS ANGELES
DEPARTMENT OF MENTAL HEALTH
MENTAL HEALTH SERVICE AREAS

The Department of Mental Health organizes the County into eight geographic Service Areas.
1.0 INTRODUCTION

The Los Angeles County (County) Department of Mental Health (DMH) is issuing this Request for Proposals (RFP) to solicit proposals from qualified entities that can, consistent with the Investment in Mental Health Wellness Act and regulations promulgated thereunder, develop a licensed Social Rehabilitation Facility, that operates a certified Short Term Crisis Residential Treatment Program, that is Medi-Cal certified and meets other requirements in this RFP, hereinafter referred to as Crisis Residential Treatment Program (CRTP). Through this RFP, DMH seeks to establish 35 CRTPs throughout the County with a maximum capacity of 16 beds per CRTP, for adults ages 18 and over, for a total of 560 beds countywide. Proposers may submit a single proposal to develop and operate one CRTP or may submit multiple proposals for multiple CRTPs. If a Proposer submits multiple proposals, each proposal will be evaluated separately.

The Investment in Mental Health Wellness Act

In 2013, the Governor approved Senate Bill (SB) 82, establishing the Investment in Mental Health Wellness Act, making funds available to selected counties to increase capacity for client assistance and services in crisis intervention, crisis stabilization, crisis residential treatment, rehabilitative mental health services, and mobile crisis support teams.

By enacting SB 82, the Legislature found and declared:

- Increasing access to effective outpatient and crisis stabilization services provides an opportunity to reduce costs associated with expensive inpatient and emergency room care and to better meet the needs of individuals with mental health disorders in the least restrictive manner possible.
- Almost one-fifth of people with mental health disorders visit a hospital emergency room at least once per year. If an adequate array of crisis services is not available, it leaves an individual with little choice but to access an emergency room for assistance and, potentially, an unnecessary inpatient hospitalization.
- Recent reports have called attention to a continuing problem of inappropriate and unnecessary utilization of hospital emergency rooms in California due to limited community-based services for individuals in psychological distress and acute psychiatric crisis. Hospitals report that 70 percent of people taken to emergency rooms for psychiatric evaluation can be stabilized and transferred to a less intensive level of crisis care. Law enforcement personnel report that their personnel need to stay with people in the emergency room waiting area until a placement is found, and that less intensive levels of care tend not to be available.
- Comprehensive public and private partnerships at both local and regional levels, including across physical health services, mental health, substance use disorder, law enforcement, social services, and related supports, are necessary to develop and maintain high quality, patient-centered, and cost-effective care for individuals with mental health disorders that facilitates their recovery and leads towards wellness.
To this end, the Legislature has appropriated $146 million statewide, with more than $40 million allocated for the Los Angeles County region.

**California Health Facilities Financing Authority**

SB 82 funding is administered by the California Health Facilities Financing Authority (CHFFA). CHFFA was established in 1979 to provide loans to health institutions for financing or refinancing the acquisition, construction, or remodeling of health facilities.

CHFFA has made capital funding available to counties through a competitive selection process, providing grant awards to counties for the expansion of CRTPs. Requirements for this grant funding are set forth in regulations issued by CHFFA found in California Code of Regulations (CCR), Title 4, Division 10, Chapter 5 (CHFFA Regulations). Additional information concerning the Investment in Mental Wellness Act may be found at http://www.treasurer.ca.gov/chffa/imhwa/.

**Crisis Residential Treatment Programs**

DMH currently contracts with private mental health providers for three CRTPs located in Service Areas (SA) 2, 5, and 8. CRTPs provide alternatives to the unnecessary utilization of hospital emergency rooms, psychiatric inpatient units and institutional care by individuals who could be treated in an intensive residential environment.

CRTPs utilize a strengths-based, trauma-informed approach that supports and promotes the wellness and recovery of individuals in a safe, home-like setting. CRTPs provide short-term, recovery-based services and supports, including integrated services for co-occurring substance use disorders. Residents participate in the development of individualized plans that promote care in voluntary treatment settings and successful re-integration into the community.

The CRTPs proposed under this RFP will be licensed as a Social Rehabilitation Facility as set forth in CCR, Title 22, Division 6, Chapter 2 by the California Department of Social Services (CDSS). The mental health program component of the CRTP must be certified by the California Department of Health Care Services (DHCS) as a Short-Term Crisis Residential Treatment Program, as set forth in the California Welfare and Institutions Code (WIC), Sections 5670, 5670.5 and 5671 and CCR, Title 9, Division 1, Chapter 3. CRTPs must also be Medi-Cal certified by DHCS and meet the requirements as set forth in the Statement of Work (SOW) contained in Appendix A.

Consistent with licensing and certification requirements, CRTPs will provide clinical services including individual and group treatment, medication support, crisis intervention, case management and linkage to community-based resources, as well as non-clinical supportive services. In addition, CRTPs shall provide co-occurring disorder services using harm-reduction principles to allow flexibility for clients’ individual needs. CRTPs shall work collaboratively with DMH to admit individuals discharged from Urgent
Care Centers (UCCs), County and community emergency rooms and psychiatric inpatient units. CRTPs shall also work closely with DMH’s SA Impact Teams, SB 82 Triage Teams, and SA Navigators to help link residents to Full Service Partnerships and other appropriate mental health resources, including housing. CRTPs proposed under this RFP shall also serve as a resource for individuals likely to be incarcerated without the appropriate community mental health services.

Consistent with CCR, Title 9, Division 1, Chapter 3, Section 531 (a) (1), the planned length of stay in the CRTP shall be in accordance with the client’s assessed needs, but not to exceed 30 days, unless circumstances require a longer length of stay to ensure successful completion of the treatment plan and appropriate referral period. However, the anticipated length of stay in the CRTP will be 10-14 days. Any stay beyond the first 30 days must be pre-approved by DMH Countywide Resource Management (CRM). Under no circumstance shall the length of stay exceed three (3) months.

**Funding and Location of the CRPTs**

CHFFA awarded the County $35,000,000 to develop 35 CRTPs (CHFFA Funding). To determine the location of the 35 CRTPs, DMH considered the need for mental health services and the existing CRTPs in each SA, as captured in the table below. Using the table below, Proposers must identify the SAs where the proposed CRTP will be located.

/ /
2.1.5 CHFFA Funding Reimbursement

A Contractor will pay for Eligible Project Costs, and seek reimbursement from DMH by submitting invoices and receipts of actual expenditures to County staff by the 10th day of each month for approval and reimbursement of Eligible Project Costs, excluding the purchase of real property consistent with Section 2.2 of this RFP. Note: County will not reimburse any expenditures that are submitted after the cutoff date, as set forth in any resultant agreement(s) with the Contractor.

2.1.6 Recovery of CHFFA Funding & Other Remedies

2.2 Agreement with California Health Facilities Financing Authority for Real Property Acquisition for Designated Non-Profits

Consistent with Section 7125.1 of the CCR, Title 4, Division 10, Chapter 5, a non-profit may be designated by the County to receive CHFFA Funding for the acquisition of real property. To acquire real property, the designated non-profit agency will be required to enter into an agreement with CHFFA. See Sample Agreement with California Health Facilities Financing Authority for Real Property Acquisition for Designated Non-Profits (Appendix C). CHFFA may modify, revise, add, and/or delete terms and conditions to Appendix C that CHFFA, in its sole discretion, determines necessary.

2.2.1 CHFFA Funding

Proposers may be awarded up to $1,000,000 in CHFFA Funding for Eligible Project Costs as defined in Section 2.1 of this RFP.

If a Proposer plans to request the maximum amount of CHFFA Funding ($1,000,000) for the acquisition of real property, Proposer must clearly identify other funding sources necessary for anticipated costs, such as construction and/or renovations; furnishings and equipment; information technology and start-up costs as part of the proposed budget. (See Appendix E, Exhibit 10).

/ 
/ 
/

2.3.4 Reimbursement Basis

Contractors are expected to provide services and seek reimbursement by entering claims attributed to a specific funded program or subprogram into the County's claim processing information system. CRTPs are paid provisional rates, subject to review and approval by the County, and consistent with DMH Policy 800.08 Provisional Rate Setting. The DMH Provisional Rate Setting policy may be accessed using the following link:
Final payment to the Contractor will be based on allowable costs as determined using the cost principles described in Title 42 CFR at 413 and the Centers for Medicare and Medicaid Services Publications 15-1 and 15-2. However, as discussed in Section 2.3.6 of this RFP, start-up costs are not included as allowable costs. Proposer should also consult non-reimbursable Medi-Cal services at Title 9 CCR 1840.312.

2.3.5 Funding to Operate a CRTP

(c) The lease agreement shall provide that any existing or subsequent encumbrance on the Site (e.g., a deed of trust) or sale of the Site shall be subject to the lease/sublease agreement.

(d) The lease agreement shall provide that the only remedy for any default by Proposer or County, as applicable, including failure to pay rent, is suit for rent or specific performance to remedy specific breach. The landlord’s remedies for any default by Proposer/County may not include cancellation of lease agreement, retaking of property or eviction of County/Proposer.
(e) Proposer shall deliver a current title report of the Site, brought up to date as of the effective date of the lease agreement. The title report shall show all of the following:

(ii) No easements, exceptions or restrictions on the use of the Site that would interfere with or impair the operation of the proposed CRTP.

(iii) A restrictive covenant recorded in the chain of title that the Site shall be used only for the CRTP during the term of the lease agreement.

(iv) Fee title is subject to the lease agreement and recorded in the chain of title.

(3) If the lease agreement terminates prior to the end of the useful life of the proposed project and the Site is not continuously operated pursuant to the requirements of this RFP and for the term required under this RFP, County shall be entitled to recover the grant funds from Proposer.

(4) Grant funds shall not be utilized for improvements to common areas of any building or complex containing the Site.

3.8 Proposer **MUST SUBMIT** copies of the organization’s most current and prior two (2) fiscal years (for example 2013 and 2014) financial statements. Statements should include the organization’s assets, liabilities and net worth and at a minimum should include the Balance Sheet, Statement of Income, and the Statement of Cash Flows. It should be noted that depending on the nature of the entity, i.e., for-profit, non-profit, governmental, the title of these statements may differ. For example, for a non-profit entity the Balance Sheet is referred to as the Statement of Financial Position. If audited statements are available, these **SHOULD BE** submitted to meet this requirement. **DO NOT** submit Income Tax Returns to meet this requirement. Financial Statements will be kept confidential if so stamped on each page. The latest audited financial statement **MAY NOT** be older than 18 months at the time of submission of the RFP.

3.9 Proposer **MUST HAVE** a minimum of 18 months of demonstrated experience, within the last three (3) years, providing mental health services to individuals with co-occurring mental health and substance use disorders.

Provide a statement describing the size and scope of any pending or threatening litigation against the Proposer or principals of the Proposer.

3.12 Proposer MUST NOT CURRENTLY have a Settlement Agreement or an extended repayment arrangement with DMH for repayment of funds. (DMH has placed a moratorium on expansion and/or implementation of any new programs for proposers with such Agreements/arrangements. Any exemption under the moratorium will require justification that this restriction will not negatively impact planned program services.).

Any proposal submitted that fails to meet the Minimum Mandatory Requirements shall be considered non-responsive and the proposal may be rejected at the County’s sole discretion.

4.0 COUNTY’S RIGHTS AND RESPONSIBILITIES

The County is not responsible for representations made by any of its officers or employees prior to the execution of any agreement(s) related to this RFP unless such understanding or representation is included in the agreement(s).

4.1 Final Agreement Award by the Board of Supervisors

Notwithstanding a recommendation of a Department, agency, individual, or other, the Board of Supervisors retains the right to exercise its judgment concerning the selection of a proposal and the terms of any resultant agreement, and to determine which proposal best serves the interests of the County. The Board is the ultimate decision making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract.
4.2 **County Option to Reject Proposals**

Proposers are hereby advised that this RFP is an informal solicitation for proposals only, and is not intended, and is not to be construed as, an offer to enter into a contract or as a promise to engage in any formal competitive bidding or negotiations pursuant to any statute, ordinance, rule, or regulation. The County may, at its sole discretion, reject any or all proposals submitted in response to this RFP or may, in its sole discretion, reject all proposals and cancel the RFP in its entirety. The County shall not be liable for any costs incurred by the Proposer in connection with the preparation and submission of any proposal. The County reserves the right to waive inconsequential disparities in a submitted proposal.

4.3 **County’s Right to Amend Request for Proposals**

The County has the right to amend this RFP by written addendum. The County is responsible only for that which is expressly stated in the solicitation document and any authorized written addenda thereto. Such addendum shall be made available to each person or organization which County records indicate has received this RFP. Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the proposal being found non-responsive and not being considered, as determined in the sole discretion of the County. The County is not responsible for and shall not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

4.4 **Background and Security Investigations**

Background and security investigations of Contractor’s staff may be required at the discretion of the County as a condition of beginning and continuing work under any resulting agreement. The cost of background checks is the responsibility of the Contractor.

4.5 **County’s Quality Assurance Plan**

After contract award, the County or its agent will evaluate the Contractor’s performance under the contract on a periodic basis. Such evaluation will include assessing Contractor’s compliance with all terms in the Contract and performance standards identified in the SOW. Contractor’s deficiencies which the County determines are severe or continuing and that may jeopardize performance of the agreement will be reported to the County’s Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective
action measures, the County may terminate the agreement in whole or in part, or impose other penalties as specified in the agreement.

5.0 PROPOSER’S REQUIREMENTS AND CERTIFICATIONS

Exceptions to disclosure are those parts or portions of all proposals that are justifiably defined as business or trade secrets, and plainly marked by the Proposer as “Trade Secret,” “Confidential,” or “Proprietary.”

5.1.2 The County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the proposal as confidential shall not be deemed sufficient notice of exception. The Proposers must specifically label only those provisions of their respective proposal which are “Trade Secrets,” “Confidential,” or “Proprietary” in nature.

5.1.3 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked “confidential,” “trade secrets,” or “proprietary,” Proposer agrees to defend and indemnify County from all costs and expenses, including reasonable attorneys’ fees, incurred in connection with any action, proceedings, or liability arising in connection with the Public Records Act request.

Additionally, any actual Proposer may request a review of a disqualification or of a proposed award under such a solicitation, as described respectively in the Sections below. It is the responsibility of the Proposer challenging the decision of a County Department to demonstrate that the Department committed a sufficiently material error in the solicitation process to justify invalidation of a proposed award.

5.4.2 Throughout the review process, the County has no obligation to delay or otherwise postpone an award based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

As appropriate, Contractor shall be required to comply with the Confidentiality provision contained in paragraph 15 and the Independent Contractor Status provision contained in paragraph 25 in Appendix D, Sample LE Agreement for CRTP Services.

Proposer shall certify that he/she is aware of and has read Section 2.180.010 of the Los Angeles County Code as stated in Appendix E - Required Forms Exhibit 5, Certification of No Conflict of Interest.

5.11 **Determination of Proposer Responsibility**

5.11.1 A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County’s policy to conduct business only with responsible Proposers.

5.11.2 Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of the subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.
5.11.3 The County may declare a Proposer to be non-responsible for purposes of this contract if the Board of Supervisors, in its discretion, finds that the Proposer has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer’s quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

5.11.4 If there is evidence that the apparent highest ranked Proposer may not be responsible, the Department shall notify the Proposer in writing of the evidence relating to the Proposer’s responsibility, and its intention to recommend to the Board of Supervisors that the Proposer be found not responsible. The Department shall provide the Proposer and/or the Proposer’s representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence which is the basis for the Department’s recommendation.

5.11.5 If the Proposer presents evidence in rebuttal to the Department, the Department shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Proposer shall reside with the Board of Supervisors.

5.11.6 These terms shall also apply to proposed subcontractors of Proposers on County contracts.

5.12 Proposer Debarment

5.12.1 The Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Proposer from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Proposer’s existing contracts with County, if the Board of Supervisors finds, in its discretion, that the Proposer has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer’s quality, fitness or capacity to perform a contract
with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

5.12.2 If there is evidence that the apparent highest ranked Proposer may be subject to debarment, the Department shall notify the Proposer in writing of the evidence which is the basis for the proposed debarment, and shall advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.

5.12.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or Proposer’s representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. The Proposer and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

5.12.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

5.12.5 If a Proposer has been debarred for a period longer than five (5) years, that Proposer may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Proposer has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

5.12.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Proposer has been debarred for a period longer than five (5) years; (2) the debarment
has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

5.12.7 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

5.12.8 These terms shall also apply to proposed subcontractors of Proposers on County contracts.

5.12.9 Appendix I provide a link to the County’s website where there is a listing of Contractors that are currently on the Debarment List for Los Angeles County.

5.13 Adherence to County’s Child Support Compliance Program

Proposers shall: 1) fully comply with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and 2) comply with all lawfully served Wage and Earnings Assignment Orders and Notice of Assignment and continue to maintain compliance during the term of any contract that may be awarded pursuant to this solicitation. Failure to comply may be cause for termination of a contract or initiation of debarment proceedings against the non-compliant Contractor (County Code Chapter 2.202).

5.14 Gratuities

5.14.1 Attempt to Secure Favorable Treatment

It is improper for any County officer, employee or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion or statement that the Proposer’s provision of the consideration may secure more favorable treatment for the
Proposer in the award of the Contract or that the Proposer’s failure to provide such consideration may negatively affect the County’s consideration of the Proposer’s submission. A Proposer shall not offer or give either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the Contract.

5.14.2 Proposer Notification to County

A Proposer shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller’s Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in the Proposer’s submission being eliminated from consideration.

5.14.3 Form of Improper Consideration

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

5.15 Notice to Proposers Regarding the County Lobbyist Ordinance

The Board of Supervisors of the County of Los Angeles has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in County Code Chapter 2.160. In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Proposer to review the ordinance independently as the text of said ordinance is not contained within this RFP. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by the Proposer is in full compliance with Chapter 2.160 of the Los Angeles County Code and each such County Lobbyist is not on the Executive Office's List of Terminated Registered Lobbyists by completing and submitting the Familiarity with the County Lobbyist Ordinance Certification, as set forth in Appendix E - Required Forms Exhibit 6, as part of their proposal.
5.16 Federal Earned Income Credit

The Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice No. 1015. Reference Appendix J.

5.17 Consideration of GAIN/GROW Participants for Employment

As a threshold requirement for consideration for contract award, Proposers shall demonstrate a proven record of hiring participants in the County’s Department of Public Social Services Greater Avenues for Independence (GAIN) or General Relief Opportunity for Work (GROW) Programs or shall attest to a willingness to consider GAIN/GROW participants for any future employment openings if they meet the minimum qualifications for that opening. Proposers shall attest to a willingness to provide employed GAIN/GROW participants access to the Proposers’ employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.

Proposers who are unable to meet this requirement shall not be considered for contract award. Proposers shall submit a completed, “Attestation of Willingness to Consider GAIN/GROW Participants”, form, as set forth in Appendix E - Required Forms, Exhibit 8, along with their proposal.

5.18 Recycled Bond Paper

Proposer shall be required to comply with the County’s policy on recycled bond paper as specified in Appendix D, Sample LE Agreement for CRTP Services, Paragraph 52.

5.19 Safely Surrendered Baby Law

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Appendix K of this solicitation document and is also available on the Internet at www.babysafela.org for printing purposes.

5.20 Jury Service Program

The prospective contract is subject to the requirements of the County’s Contractor Employee Jury Service Ordinance (“Jury Service Program”)
(Los Angeles County Code, Chapter 2.203). Prospective Contractors should carefully read the Jury Service Ordinance, Appendix H, and the pertinent jury service provisions of the Appendix D, Sample LE Agreement for CRTP Services paragraph 57, both of which are incorporated by reference into and made a part of this RFP. The Jury Service Program applies to both Contractors and their Subcontractors.

Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

5.20.1 The Jury Service Program requires Contractors and their Subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee’s regular pay the fees received for jury service. For purposes of the Jury Service Program, “employee” means any California resident who is a full-time employee of a Contractor and “full-time” means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor’s full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.

5.20.2 There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program’s definition of “Contractor”. The Jury Service Program defines “Contractor” to mean a person, partnership, corporation of other entity which has a contract with the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this Contract is less than $500,000, and, 3) is not an “affiliate or subsidiary of a business dominant in its field of operation”. The
second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

5.20.3 If a Contractor does not fall within the Jury Service Program’s definition of “Contractor” or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Certification Form and Application for Exception, Exhibit 9 in Appendix E - Required Forms, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor’s application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County’s decision will be final.

5.21 Notification to County of Pending Acquisitions/Mergers

The Proposer shall notify the County of any pending acquisitions/mergers of their company. This information shall be provided by the Proposer on Appendix E - Required Form - Exhibit 1 - Proposer Organization Questionnaire/Affidavit. Failure of the Proposer to provide this information may eliminate its proposal from any further consideration. Proposer shall have a continuing obligation to notify County of changes to the information contained in Exhibit 1 (Proposer Organization Questionnaire/Affidavit) during the pendency of this RFP by providing a revised Exhibit 1 (Proposer Organization Questionnaire Exhibit 1) to the County upon the occurrence of any event giving rise to a change in its previously-reported information.

5.22 Proposer’s Charitable Contributions Compliance

5.22.1 California’s “Supervision of Trustees and Fundraisers for Charitable Purposes Act” regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. Contractors should carefully read the Background and Resources: California Charities Regulations, Appendix M. New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices and
documentation. Charities with over $2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

5.22.2 All prospective Contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the Charitable Contributions Certification, Exhibit 11 as set forth in Appendix E - Required Forms. A completed Exhibit 11 is a required part of any agreement with the County.

5.22.3 In Exhibit 11, prospective contractors certify either that:

- they have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County agreement,
  - OR -

- they are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

5.22.4 Prospective County Contractors that do not complete Exhibit 11 as part of the solicitation process may, in the County’s sole discretion, be disqualified from contract award. A County Contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

5.23 Defaulted Property Tax Reduction Program

The prospective contract is subject to the requirements of the County’s Defaulted Property Tax Reduction Program (“Defaulted Tax Program”) (Los Angeles County Code, Chapter 2.206). Prospective Contractors should carefully read the Defaulted Tax Program Ordinance, Appendix N, and the pertinent provision of the Appendix D paragraph 64 of which are incorporated by reference into and made a part of this solicitation. The Defaulted Tax Program applies to both Contractors and their Subcontractors.

Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted
Tax Program by completing Certification of Compliance with The County’s Defaulted Property Tax Reduction Program, Exhibit 12 in Appendix E – Required Forms. Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliance Contractor (Los Angeles County Code, Chapter 2.202).

Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

5.24 Time Off for Voting

The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

This section contains key project dates and activities as well as instructions to Proposers in how to prepare and submit their proposal.

7.1 Truth and Accuracy of Representations

False, misleading, incomplete, or deceptively unresponsive statements in connection with a proposal shall be sufficient cause for rejection of the proposal. 8.0 SELECTION PROCESS AND EVALUATION CRITERIA

8.1 Selection Process

The County reserves the sole right to judge the contents of the proposals submitted pursuant to this RFP and to review, evaluate and select the successful proposal(s). The selection process will begin with receipt of the proposal on March 24, 2016.

Evaluation of the proposals will be made by an Evaluation Committee selected by the Department using the Informed Averaging method (Board of Supervisors Policy No. 5.054). The Committee will evaluate the proposals and will use the evaluation approach described herein to select a prospective Contractor. All proposals will be evaluated based on the criteria listed below. All proposals will be scored and ranked in numerical sequence from high to low. The County MAY also, at its option, invite Proposers being evaluated to make a verbal presentation or conduct site visits, if appropriate. The Evaluation Committee may utilize the services of appropriate experts to assist in this evaluation.

After a prospective Contractor has been selected, the County and the prospective Contractor(s) will negotiate a contract for submission to the Board of Supervisors for its consideration and possible approval. If a satisfactory contract cannot be negotiated, the County may, at its sole discretion, begin contract negotiations with the next qualified Proposer who submitted a proposal, as determined by the County.

The recommendation to award a contract will not bind the Board of Supervisors to award a contract to the prospective Contractor.

The County retains the right to select a proposal other than the proposal receiving the highest number of points if County determines, in its sole discretion, another proposal is the most overall qualified, cost-effective, responsive, responsible and in the best interests of the County.

8.2 Adherence to Minimum Requirements (Pass/Fail)

County shall review the Proposer’s Organization Questionnaire/Affidavit - Exhibit 1 of Appendix E, Required Forms, and determine if the Proposer meets the Minimum Mandatory Requirements as outlined in paragraph 3.0 of this RFP.

Failure of the Proposer to comply with the minimum requirements may eliminate its proposal from any further consideration. The County may elect to waive any informality in a proposal if the sum and substance of the proposal is present.
8.3 Disqualification Review

A proposal may be disqualified from consideration because a Department determined it was non-responsive at any time during the review/evaluation process. If a Department determines that a proposal is disqualified due to non-responsiveness, the Department shall notify the Proposer in writing. Upon receipt of the written determination of non-responsiveness, the Proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination.

A request for a Disqualification Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Disqualification Review is a Proposer;

2. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and

3. The request for a Disqualification Review asserts that the Department's determination of disqualification due to non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed and the determination shall be provided to the requesting Proposer, in writing, prior to the conclusion of the evaluation process.

Proposer can also be disqualified for non-responsibility – See Section 5.8.

This review may result in point deductions up to 100% of the total points awarded in this evaluation category. Additionally, a review of terminated contracts will be conducted which may result in point deductions.

A review will be conducted to determine the significance of any litigation or judgments pending against the Proposer as provided in Section 3.0, Proposer’s Minimum Mandatory Qualifications, Section 3.11 of the proposal.

### 8.5 Department’s Proposed Contractor Selection Review

#### 8.5.1 Departmental Debriefing Process

Upon completion of the evaluation, the Department shall notify the remaining Proposers in writing that the Department is entering negotiations with another Proposer. Upon receipt of the letter, any non-selected Proposer may submit a written request for a Debriefing within the timeframe specified in the letter. The purpose of the Debriefing is to compare the requesting Proposer’s response to the solicitation document with the evaluation document. A request for a Debriefing may, in the Department's sole discretion, be denied if the request is not received within the specified timeframe.

The requesting Proposer shall be debriefed only on its response. Because contract negotiations are not yet complete, responses from other Proposers shall not be discussed, although the Department may inform the requesting Proposer of its relative ranking.

During or following the Debriefing, the Department will instruct the requesting Proposer of the manner and timeframe in which the requesting Proposer must notify the Department of its intent to request a Proposed Contractor Selection Review (see Section 8.5.2 below), if the requesting Proposer is not satisfied with the results of the Debriefing.

#### 8.5.2 Proposed Contractor Selection Review

Any Proposer that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review as described in this section may submit a written request for a Proposed Contractor Selection Review, in the manner and timeframe as shall be specified by the Department.

| H. Leveraging and Organizational Supports | 1,000 | 10% |
| I. Program Budget | 500 | 5% |
| J. Green Initiatives | 100 | 1% |
| K. Exceptions to Terms and Conditions of Sample Contract and/or Requirements of the SOW | 500 | 5% |
| **Total** | **10,000** | **100%** |
A request for a Proposed Contractor Selection Review may, in the Department's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Proposed Contractor Selection Review is a Proposer;

2. The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by the Department);

3. The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:
   a. The Department materially failed to follow procedures specified in its solicitation document. This includes:
      i. Failure to correctly apply the standards for reviewing the proposal format requirements.
      ii. Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the proposals as specified in the solicitation document.
      iii. Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.
   b. The Department made identifiable mathematical or other errors in evaluating proposals, resulting in the Proposer receiving an incorrect score and not being selected as the recommended contractor.
   c. A member of the Evaluation Committee demonstrated bias in the conduct of the evaluation.
   d. Another basis for review as provided by state or federal law; and

4. The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for the Department's alleged failure, the Proposer would have been the lowest cost, responsive and responsible bid or the highest-scored proposal, as the case may be.
Upon completing the Proposed Contractor Selection Review, the Department representative shall issue a written decision to the Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the contract award recommendation is to be heard by the Board of Supervisors. The written decision shall additionally instruct the Proposer of the manner and timeframe for requesting a County Independent Review. (See Section 8.6 below)

8.6 County Independent Review Process

Any Proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for a County Independent Review in the manner and timeframe specified by the Department in the Department's written decision regarding the Proposed Contractor Selection Review.

A request for County Independent Review may, in the County's sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a County Independent Review is a Proposer;

2. The request for a County Independent Review is submitted timely (i.e., by the date and time specified by the Department); and

3. The person or entity requesting review by a County Independent Review has limited the request to items raised in the Proposed Contractor Selection Review and new items that (a) arise from the Department's written decision and (b) are one of the appropriate grounds for requesting a Proposed Contractor Selection Review as listed in Section 8.5.2 above.

Upon completion of the County Independent Review, Internal Services Department will forward the report to the Department, which will provide a copy to the Proposer.
