#### **PREAMBLE**

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- Responsiveness
- Professionalism
- Accountability
- Compassion
- Integrity
- Commitment
- A Can-Do Attitude
- Respect for Diversity

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused,

culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.

- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, economic well-being, safety and survival, emotional and social well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service And Satisfaction Standards*** in support of improving

outcomes for children and families.

**Personal Service Delivery**

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

**Service Access**

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

**Service Environment**

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

1. **TERM:**

A. This Master Agreement is effective July 1, 2009 and shall continue in full force and effect through June 30, 2012, unless sooner extended or terminated, in whole or in part, as provided herein.

B. The County shall have the sole option to extend the Master Agreement term for up to two additional one-year renewal periods. Each such option and extension shall be exercised at the sole discretion of the Director, or his designee, as authorized by the Board of Supervisors.

C. Contractor shall provide services, as described in Paragraph 3 (DESCRIPTION OF SERVICES), continuously and without interruption from the commencement date of this Agreement through the expiration date of this Agreement unless sooner terminated as provided hereunder.

D. This Agreement may be terminated without cause at any time by either party by giving at least thirty days prior written notice to the other party. County may also terminate this Agreement immediately if County determines that any Federal, State, and/or County funds are not budgeted or available for this Agreement or any portion hereof.

This Agreement shall automatically terminate on the date: (1) that a majority ownership of Contractor changes by sale or otherwise or (2) that there is any sale or other change of ownership of the facility(ies) where services are to be provided as described in Exhibit A (Basic Living Support Services). Contractor shall provide written notice to County immediately after Contractor first becomes aware that either of these circumstances will occur or has occurred.

Other termination provisions for County are found in Paragraphs 6 (COUNTY AUDIT SETTLEMENTS), 12 (RECORDS AND AUDITS), 20 (NONDISCRIMINATION IN EMPLOYMENT), 22 (INDEMNIFICATION AND INSURANCE), 23 (WARRANTY AGAINST CONTINGENT FEES), 27 (DELEGATION AND ASSIGNMENT BY CONTRACTOR), 28 (SUBCONTRACTING), 34 (TERMINATION FOR INSOLVENCY), 35 (TERMINATION FOR DEFAULT), and 36 (TERMINATION FOR IMPROPER CONSIDERATION).

E. In the event that this Agreement is terminated by Contractor or County or automatically, then upon the issuance of any notice of termination, or on the date of automatic termination, Contractor shall make immediate and appropriate plans to transfer or refer all clients receiving services under this Agreement to other agencies for continuing services in accordance with the client's needs. Such plans shall be subject to prior written approval of Director, except that in specific cases, as determined by Contractor, where an immediate client transfer or referral is indicated, Contractor may make an immediate

transfer or referral. All costs related to all such transfers or referrals as well as all costs related to all continuing services shall not be a charge to this Agreement nor reimbursable in any way hereunder.

F. **Six Months Notification of Agreement Expiration:** Contractor shall notify County when this Agreement is within six (6) months of expiration. Contractor shall send such notice to those persons and addresses which are set forth in Paragraph 67 (NOTICES).

G. **Suspension of Payments:** Payments to Contractor under this Agreement shall be suspended if Director, for good cause, determines that Contractor is in default under any of the provisions of this Agreement. Except in cases of alleged fraud or similar intentional wrongdoing, at least 30 calendar days notice of such suspension shall be provided to Contractor, including a statement of the reason(s) for such suspension. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the Director's decision. Payments shall not be withheld pending the results of the reconsideration process.

2. **ADMINISTRATION:** Director shall have the authority to administer this Agreement on behalf of County. Contractor shall designate in writing a Contract Manager who shall function as liaison with County regarding Contractor's performance hereunder.

3. **DESCRIPTION OF SERVICES:** Contractor shall provide services in the form as described in Exhibit A (Basic Living Support Services) attached hereto and incorporated herein by reference. Services provided by Contractor shall be the same regardless of the client's ability to pay or source of payment. All services will be provided at no cost to clients and as such Contractor may not ask clients for any form of payment.

4. **COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS:** Notwithstanding any other provision of this Agreement, this Agreement shall not be effective and binding upon the parties unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for County's current Fiscal Year. Further, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future Fiscal Years unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for each such future Fiscal Year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last Fiscal Year for which funds were appropriated.

5. PAYMENT:

A. County shall reimburse Contractor, monthly in arrears, at the currently approved State Department of Social Services Adult Residential Care Rate for each overnight that a client receives DMH approval to stay in the Contractor's residential facility(ies) and has received basic living support services hereunder. Minor children of clients will be reimbursed at 65% of the adult rate.

In no event shall Contractor be reimbursed under this Agreement for any services provided to any client whose approved referral to Contractor hereunder has been canceled by Director. In such circumstance, County shall not reimburse Contractor hereunder for the particular client after the date Director cancels the client's approved referral.

Any change to the Residential Care Rate issued by State's Department of Social Services shall supersede the prior existing rate and shall be effective as of the effective date of State's rate change.

Contractor shall submit to County a monthly billing for each client on DMH's Facility Billing Invoice form and shall include a client daily sign-in log as supporting verification.

Each monthly billing shall be submitted within thirty days of the last date services were provided during the particular month. The monthly billing and subsequent payment shall be made in accordance with County policies and procedures. If billings are not submitted as required by County, then payment shall be withheld until County is in receipt of correct and complete billings.

B. Budget Reductions: In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in County contracts, the County reserves the right to reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement (including any extensions), and the services to be provided by the Contractor under this Agreement shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Agreement.

C. No Payment for Services Provided Following Expiration/Termination of Contract:

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Contract. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Contract.

6. COUNTY AUDIT SETTLEMENTS:

A. If, at any time during the term of this Agreement or at any time after the expiration or termination of this Agreement, authorized representatives of County conduct an audit of Contractor regarding the services provided hereunder and if such audit finds that County's dollar liability for such services is less than payments made by County to Contractor, then, the difference shall be either: (1) repaid by Contractor to County by cash payment upon demand or (2) at the sole discretion of Director, deducted from any amounts due by County to Contractor, whether under this Agreement or otherwise. If such audit finds that County's dollar liability for services provided hereunder is more than payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment.

B. Failure on the part of Contractor to comply with any of the terms of this Paragraph 6 shall constitute a material breach of this Agreement upon which County may terminate or suspend this Agreement.

7. PRIOR AGREEMENT(S) SUPERSEDED:

A. Reference is made to the certain document(s) entitled:

<u>TITLE</u>	<u>COUNTY AGREEMENT NUMBER</u>	<u>DATE OF EXECUTION</u>
_____ N/A _____	_____ N/A _____	_____ N/A _____
_____	_____	_____

The parties agree that the provisions of such prior Agreement(s), and all Amendments thereto, shall be entirely superseded as of \_\_\_\_\_, by the provisions of this Agreement.

B. The parties further agree that all payments made by County to Contractor under any such prior Agreement(s) for services rendered thereunder on and after \_\_\_\_\_, shall be applied to and

considered as payments made under this Agreement and shall be applied against all applicable Federal, State, and/or County funds provided hereunder.

8. STAFFING:

A. Contractor shall operate continuously throughout the term of this Agreement with a sufficient number of staff necessary to provide the services described in Exhibit A (Basic Living Support Services). Director may, in his sole discretion, determine from time to time the number and type of staff which Contractor shall provide for services hereunder.

B. During the term of this Agreement, Contractor shall have available and shall provide upon request to authorized representatives of County, a list of all persons by name, title, professional degree, and experience, who are providing any services hereunder.

9. STAFF TRAINING AND SUPERVISION: Contractor shall institute and maintain training for all its staff providing services under this Agreement including CPR and first aid. Contractor shall institute and maintain appropriate supervision of all persons providing services hereunder. Contractor shall be responsible for the training of all appropriate staff on any matters that County may reasonably require.

10. PROGRAM SUPERVISION, MONITORING AND REVIEW: Pursuant to WIC Section 5608 and CCR Title 9, Section 521, all services hereunder shall be provided by Contractor under the general supervision of Director. Director shall have the right to monitor and specify the kind, quality, appropriateness, timeliness, amount of services, and the criteria for determining the persons to be served. Upon receipt of a DMH Monitoring Report, Contractor shall respond in writing to the particular DMH Contract Monitor within the time specified in the Report either acknowledging the reported deficiencies or presenting contrary evidence, and, in addition, submitting a plan for immediate correction of all deficiencies. In the event of a State audit of this Agreement, if State auditors disagree with County's written instructions to Contractor in its performance of this Agreement, and if such disagreement results in a State disallowance of any of Contractor's costs hereunder, then County shall be liable for Contractor's disallowed costs as determined by State. Authorized County and State representatives shall have the right to review and monitor Contractor's facilities, programs, and procedures at any reasonable time.

/

11. COUNTY'S QUALITY ASSURANCE PLAN: The County or its agent will evaluate Contractor's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all contract terms and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Agreement or impose other penalties as specified in this Agreement.

12. RECORDS AND AUDITS:

A. Records:

(1) Services Records: Contractor shall maintain accurate and complete records of all services provided by all the various professional, paraprofessional, intern, student, volunteer and other personnel in sufficient detail to permit an evaluation and audit of services provided under this Agreement. Contractor shall also maintain accurate and complete program records of all services rendered in accordance with all applicable County, State and Federal requirements.

All such records shall be maintained by Contractor at a location in Los Angeles County for a minimum period of four years following the expiration or termination of this Agreement, or until County, State and/or Federal audit findings applicable to such services are fully resolved, whichever is later. - (b) A listing of all County remittances received.
- (c) Employment records.

All financial records shall be maintained by Contractor at a location in Los Angeles County for a minimum period of seven years following the expiration or termination of this Agreement, or until County, State and/or Federal audit findings are fully resolved, whichever is later. During such retention period, all such records shall be made available during County's normal business hours to authorized representatives of County, State, and/or Federal governments for purposes of inspection, program review, and/or audit. In the event any records are located outside Los Angeles County, Contractor shall pay County for all travel, per diem, and other costs incurred by County for any inspection or audit at such other location.

(3) Preservation of Records: If, following termination of this Agreement, Contractor's facility(ies) is (are) closed or if majority ownership of Contractor changes, then within forty-eight hours thereafter, Director of SDMH and the Director shall be notified thereof by Contractor in writing of all arrangements made by Contractor for preservation of all the client, financial, and other records referred to in this Paragraph 12.

C. Failure on the part of Contractor to comply with any of the terms of this Paragraph 12 shall constitute a material breach of this Agreement upon which County may terminate or suspend this Agreement.

13. FEDERAL ACCESS TO RECORDS: If, and to the extent that, Section 1861(v)(1)(I) of Social Security Act (42 United States Code Section 1395x(v)(1)(I)) is applicable, Contractor agrees that for a period of four years following the furnishing of services under this Agreement, Contractor shall maintain and make available, upon written request, to the Secretary of the United States Department of Health and Human Services or the Comptroller General of the United States, or to any of their duly authorized representatives, the contract, books, document and records of Contractor which are necessary to verify the nature and extent of the cost of services hereunder. Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of TEN THOUSAND DOLLARS (\$10,000) or more over a twelve-month period with a related organization (as that term is defined under Federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents and records of the subcontractor.

14. REPORTS:

A. Contractor shall make reports as required by Director or by State regarding Contractor's activities and operations as they relate to Contractor's performance of this Agreement. In no event may County require such reports unless it has provided Contractor with at least thirty days' prior written notification. County shall provide Contractor with a written explanation of the procedures for reporting the required information.

B. Income Tax Withholding:

(b) Within ten days of each payment, a copy of a receipt for, or other proof of payment of, each employee's Federal and State income tax withholding, whether such payments are made on a monthly or quarterly basis.

(2) Required submission of above quarterly and monthly reports by Contractor may be waived or discontinued by Director in writing based on Contractor's demonstration of prompt and appropriate payment of all its obligations. This Subparagraph B shall not apply to governmental agencies.

15. DISCLOSURE OF INFORMATION: During and after the term of this Agreement, Contractor shall not publish or disseminate any commercial advertisements, press releases, feature articles, or other materials, using the name of County or of any County employee or agent or of any County client without prior written consent of Director. Director shall have the sole and absolute right to grant or deny such consent.

16. CONFIDENTIALITY: Contractor shall maintain the confidentiality of all records and information, including, but not limited to, billings, County records, client records and information, in accordance with WIC Sections 5328 through 5330, inclusive, Title 45, Code of Federal Regulations, Section 205.50, and all other applicable County, State and Federal laws, ordinances, rules, regulations, and directives, relating to confidentiality. Contractor shall require all its officers, employees, and agents providing services hereunder to acknowledge, in writing, understanding of, and agreement to fully comply with, all such confidentiality provisions. Contractor shall indemnify and hold harmless County, its officers, employees,

Additionally, County approval of any subcontract shall not be construed in any way to constitute the determination of the allowability or appropriateness of any cost or payment under this Agreement.

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Agreements the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of an Agreement with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interest of the County.

Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

I. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by Federal healthcare program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its Sub-Contractors or its significant business transactions; (6) loss of a state license to practice a health-care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Exhibit E as

part of its obligation under this Paragraph.

Failure by Contractor to meet the requirements of this Paragraph shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

(c) If neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary of the federal Department of Health and Human Services.

4.3 Disposition of Protected Health Information Upon Termination or Expiration.

(a) Except as provided in paragraph (b) of this section, upon termination for any reason or expiration of this Agreement, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

(b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make infeasible. If return or destruction is infeasible, Business Associate shall extend the protections of this Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

#### **MISCELLANEOUS**

5.1 No Third Party Beneficiaries. Nothing in this Paragraph 57 shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

5.2 Use of Subcontractors and Agents. Business Associate shall require each of its agents and subcontractors that receive Protected Health Information from Business Associate, or create Protected Health Information for Business Associate, on behalf of Covered Entity, to execute a written agreement obligating the agent or subcontractor to comply with all the terms of this Paragraph 57.

5.3 Relationship to Services Agreement Provisions. In the event that a provision of this Paragraph 57 is contrary to another provision of this Agreement, the provision of this Paragraph 57 shall control. Otherwise, this Paragraph 57 shall be construed under, and in accordance with, the terms of this Agreement.

5.4 Regulatory References. A reference in this Paragraph 57 to a section in the Privacy or Security Regulations means the section as in effect or as amended.

5.5 Interpretation. Any ambiguity in this Paragraph 57 shall be resolved in favor of a meaning that

permits Covered Entity to comply with the Privacy and Security Regulations.

58. COMPLIANCE WITH JURY SERVICE PROGRAM:

A. Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The

provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

59. NOTICES TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit D of this Agreement and is also available on the Internet at [www.babysafela.org](http://www.babysafela.org) for printing purposes.

60. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post in the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the

poster to be used.

61. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45 C.F.R. PART 76): The Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the county may immediately terminate or suspend this Agreement.

62. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE: The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Exhibit F, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both (County Code Chapter 2.202).

63. LIMITATION OF COUNTY'S OBLIGATION DUE TO NON-APPROPRIATION OF FUNDS: Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during this or any of County's future fiscal

years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such fiscal year. Should County, during this or any subsequent fiscal year impose budgetary restrictions which appropriate less than the amount provided for this Agreement, County shall reduce services under this Agreement consistent with such imposed budgetary reductions. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor of any such changes in allocation of funds at the earliest possible date.

64. PERFORMANCE STANDARDS AND OUTCOME MEASURES: The Contractor shall comply with all applicable Federal, State, and County policies and procedures relating to performance standards and outcome measures. This is applicable whenever specific Federal or State funding, which has policies or procedures for performance standards and/or outcome measures has been included as part of the Contractor's contract and shall apply for all County policies, procedures, or departmental bulletins approved by the Director or his designee for performance standards and/or outcome measures. County will notify Contractor whenever County policies or procedures are to apply to this contract provision (e.g., Mental Health Services Act) at least, where feasible, 30 calendar days prior to implementation.

These Federal, State or County performance standards and/or outcome measures identified in Exhibit A will be used as part of the determination of the effectiveness of the services delivered by the Contractor.

65. LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM: This Contract is subject to all provisions of the County's ordinance entitled Local Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code. Specifically, Contractor shall pay particular attention to the following provisions in Chapter 2.204:

Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of

influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the Contract amount and what the County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any Contractor that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the Office of Affirmative Action Compliance of this information prior to responding to a solicitation or accepting a contract award.

66. FORCE MAJEURE:

A. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Master Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

B. Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the

subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

C. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

67. NOTICES: All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be hand delivered with signed receipt or mailed by first class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices or demands which are required or permitted by County under this Agreement. Addresses and persons to be notified may be changed by either party by giving ten (10) days prior written notice thereof to the other party.
