

Co-Occurring Disorders Training

for Children's Providers

Trauma and COD: Understanding and Working with Youth and Their Caregivers

Developed and presented by leading experts in the fields of trauma and co-occurring disorders, this full-day training will take an in-depth look at the issues of trauma as they relate to understanding and working with children age 0–15 and their caregivers who have co-occurring disorders.

Los Angeles

Wednesday, July 16, 2008

St. Anne's Conference Center
Hollywood

Friday, July 18, 2008

Enki Health and Research Systems, Inc.
El Monte

At the conclusion of the training, participants will understand: (1) how substance abuse problems may develop among youth experiencing traumatic stress; (2) the key components of trauma-focused and substance abuse-focused evidence-based treatments; (3) the impact of secondary traumatic stress that may develop among clinicians when addressing the acute needs of substance abusing and traumatized children and adolescents; and (4) the key components of integrated trauma-informed interventions for parents/caregivers.

All trainings include continental breakfast, lunch, and afternoon snack.

8:00 am – 9:00 am Registration/Breakfast

9:00 am – 4:30 pm Training

Continuing Education
