

# HIPAA 5010 MIGRATION MEETING

Contract Provider Transition Team

June 29, 2011

# HIPAA 5010 Meeting Agenda

- ✓ **What is it?**
  - ✓ **Key Dates**
  - ✓ **5010 Testing**
  - ✓ **What's Not in the Companion Guides**
  - ✓ **Review Companion Guide changes**
  - ✓ **837 Professional**
  - ✓ **Question and Answers**
  - ✓ **Review Companion Guide changes**
  - ✓ **837 Institutional**
- ✓ *"To Enrich Lives Through Effective and Caring Service"*

## *Review – what is it?*

- ✓ **Federal legislation to upgrade the HIPAA administrative transactions from version 4010 to 5010 by January 1, 2012**
- ✓ **Impacts claims, remittance, eligibility and claim status transactions**
- ✓ **New versions have different data element requirements**

## *Review – what is it?*

- ✓ **Software must be modified to produce and exchange the new formats**
- ✓ **Business processes may need to change to capture additional data elements**
- ✓ **Transition to the new formats must be coordinated with your trading partners**

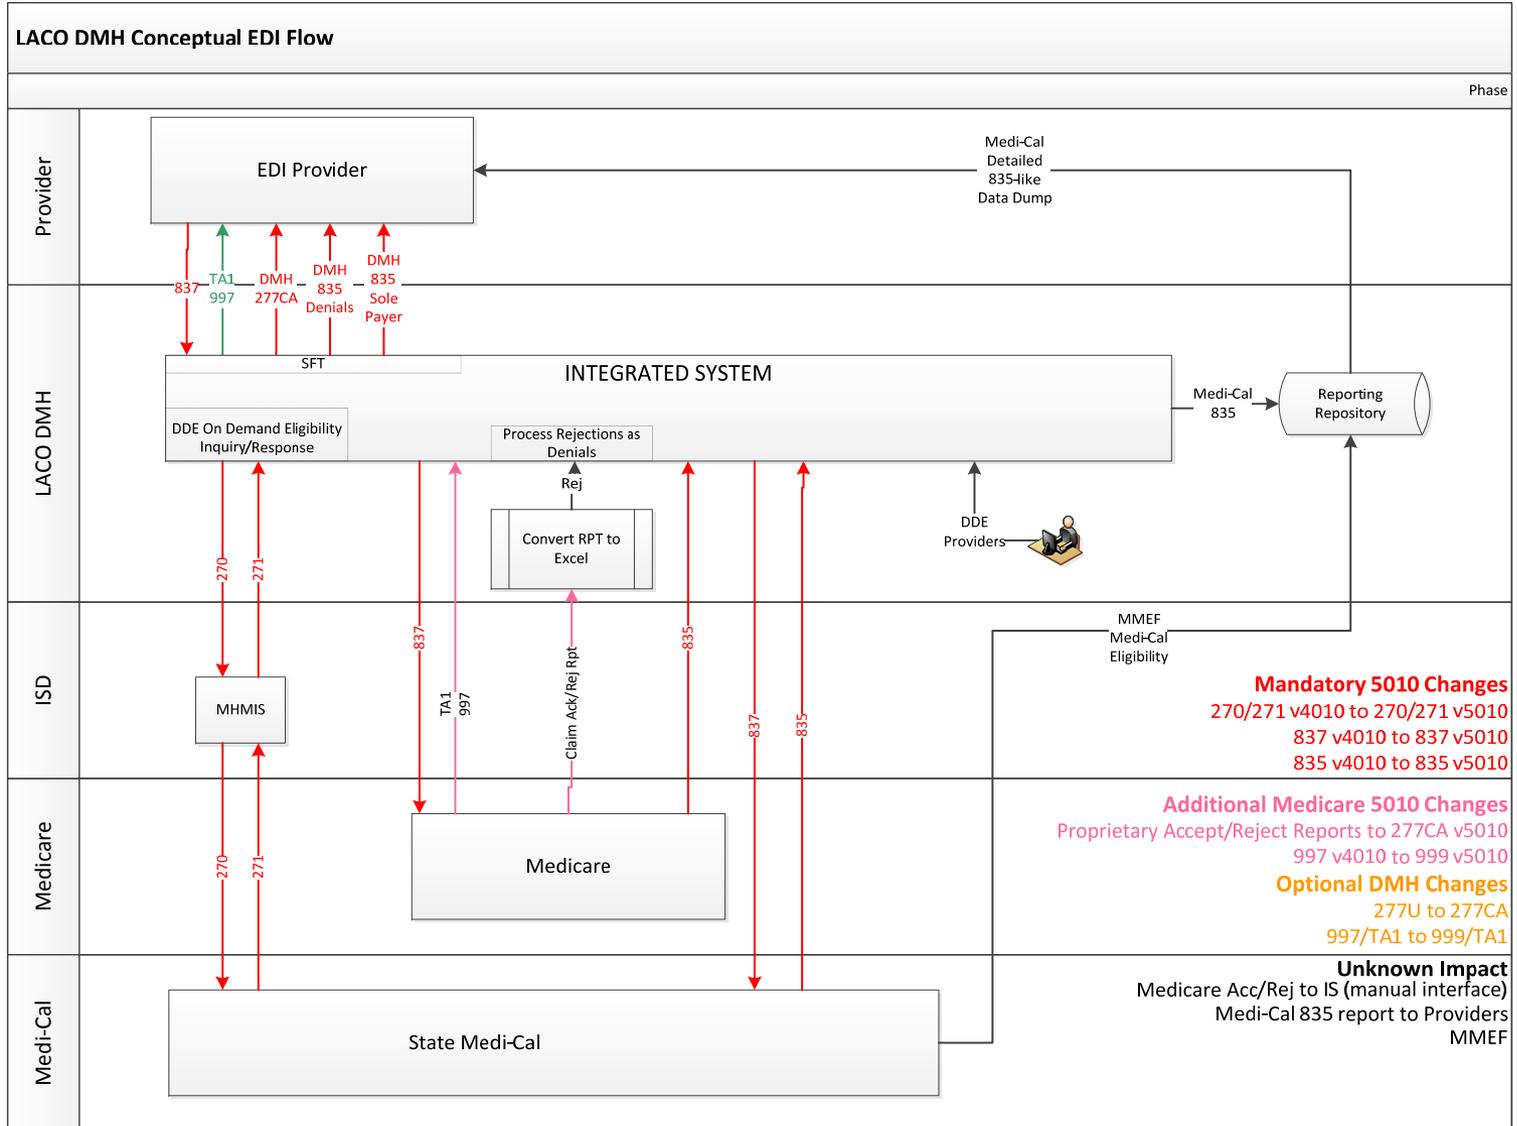

## *Review – what does it do for us?*

- ✓ **Allows the exchange of ICD-10 diagnosis codes**
- ✓ **Provides greater clarity on how the transactions are to be populated**
- ✓ **Provides additional guidance on using the NPI**

*Many resources on the web providing more detailed information*

# HIPAA 5010 – DMH Data Flow and Impact to the Contract Provider Community
