

**CPTP EDI News Bulletin #002
9/22/2008**

**SV101 and SV103 of Loop 2400 -
Professional Service**

Attention: All EDI Providers

STOP – Impact on You

The **SV101 and SV103 of Loop 2400 Procedure Modifiers** need to be completed in proper format in order to be reimbursed for SV 101-3,-4,-5,-6, and -7 in claims.

CAUTION – What You Need to Know

SV101-3, -4, -5, -6 and -7 are for Procedure Modifiers. Certain procedures in the 837P require modifiers.

SV103 is the Unit or Basis for Measurement Code. It can be MJ (minutes) or UN (units).

GO – What You Need to Do

The syntax is the same as on pages 400 to 407 of the 837P WPC I.G. (837P - 004010X098 & 004010X098A1). Please refer to the link below for LAC-DMH Procedural Codes Manual.
