

Special Notice on the SAMSHA Plan from Roy Kotze...

The following was posted 6/30/05

Just to let you all know that all the procedure codes in the SAMSHA plan were terminated with a date of 01/31/2005. As a result any claims that have been submitted with service dates after 01/31/2005 to this plan, have been denied.

The plan administrators will update the procedure code terminations for this plan, but if users call in about this, tell them to resubmit these claims and they will go through.
